

Partly cloudy tonight and Wednesday, low tonight in lower 50's. Temp.: High 68; low 54. Sun rises 6:57; sets 7:36.

Participate in National Civil Defense Week by visiting the Observation Post at Irvinedale — "Open house" every afternoon and evening starting Wednesday.

Egypt Warned Britain and France Ready To Use Force

NATIONAL GUARD PREPARES TO ENFORCE INTEGRATION IN SCHOOL AT STURGIS, KY.

By The Associated Press

National guardsmen, strengthened by reinforcements, were ready today to move—if needed—into Sturgis, Ky., scene of noisy racial disorders at the town's integrated high school.

A National Guard detachment of 650 men, backed by tanks and 10 state patrolmen, were on hand yesterday to see that seven Negroes were allowed to enter classes for which 310 white pupils were enrolled. A crowd of between 600 and 1,000 persons jeered and catcalled the guardsmen, spaced three feet apart on the high school lawn.

Only 45 of the school's white pupils were at their desks when the final assembly bell rang. Members of the crowd cried out that the white pupils would "never come back" and turbulent anti-integrationists declared they would keep their children "out of Sturgis High School forever if necessary."

When the Negroes left the building, rocks were hurled. The Negroes sped home in automobiles.

Sturgis is the center of an area with a population of about 5,000, including 1,000 Negroes. The tension there was in strong contrast to the situation at Louisville, Ky., where the South's first large-scale school integration was carried out peacefully and with no untoward incident yesterday.

Aside from limited protests and a few pickets at the Louisville Board of Education, there was no disturbance. Officials said they expected none.

At Clay, Ky., a coal-mining community of 2,000 not so very far from Sturgis, a crowd of about 100 men turned away a Negro mother and her two children at the elementary school. A newsman was told by members of the group that "no pictures could be taken but that 'if they bring niggers here, you can take pictures of people dying.'"

The jeers and scoffs at Sturgis found an echo in Texas, where a crowd of 300 threw gravel and aimed a kick at two young Negroes who sought to enter the Texarkana Junior College.

Other developments in the fight for integration yesterday included:

Morganfield, Ky.: A crowd of 500 attending states rights meeting in the courthouse stamped and cheered their approval of a resolution proposing to impeach Gov. A. B. Chandler for assuming "dictatorial powers" in the Sturgis disturbances.

Matoaka, W. Va.: A boycott of four schools in southern West Virginia which admitted Negroes for the first time this year kept half the pupils at home.

The charges listed in Cohen's petition for the probe include conspiracy, bribery and corruption.

The court signed an order directing the sheriff and jury commissioners to select and notify 24 grand jurors to appear Monday, Oct. 22 in the main courtroom.

The district attorney, a Republican, said some of those mentioned in the petition are "accused of wrongdoing in a most serious way."

He said the public has the right to know the truth or falsity of the accusations.

Borough Honored With Safety Awards

The effective traffic safety program in Warren during 1955 received national recognition yesterday with the presentation of two Achievement Certificates from the National Safety Council. William Haddad, center, field representative of Highway Safety, Harrisburg, gave the plaques to Burgess William E. Rice, left, and Police Chief Mike Evan, right. One certificate recognized the combined efforts of a good traffic safety program and police for completing a year without a fatal motor vehicle accident within the municipal limits. The other cited Warren for outstanding performance in School Traffic Safety Education. At far left in picture is Glen Patchen, head of Borough Council's Public Safety Committee. [Far right is Officer W. H. Ristau. A more extended article on the awards will be printed later. Timesphoto by Stokes.]

Enraged Motorist Runs Car Over His Former Girl Friend

Chicago, (AP)—A 36-year-old woman was killed today when a motorist, described by police as her former boy friend, deliberately ran his car into her, made a fast U-turn and ran over her a second time. Her male companion escaped with minor injuries.

Policeman John Casey, who witnessed the tragedy, captured the motorist, Nathan Brown, 30, after a short chase. Casey quoted Brown as saying: "I waited for that for four hours."

Killed was Lucille Fitzpatrick, who was arrested last Saturday in the company of three Ohio men who have admitted, police said, they planned to rob a West Side bank. She was not linked to the robbery plans, police said. She had been charged with disorderly conduct.

Sgt. Eugene Anderson said Miss Fitzpatrick, manager of a tavern near where she was killed, had kept company with Brown until about a month ago.

The third proposal calls for dredging an entirely new channel some 150 feet south of, and approximately parallel to, Fifth Avenue.

Borough engineer DeBell said this plan, which would provide the shortest route and require a smaller pipe because of faster flow, would be the cheapest. He also mentioned it could be the most effective as overflow would course down the present stream bed in controllable mounts. Preliminary (Turn to Page Three)

Pittsburgh (AP)—An autopsy on the body of a 52-year-old Wilkesburg woman, found stuffed in her refrigerator last night showed she died of asphyxiation.

Henry Pieper, chief of Allegheny County detectives, said Mrs. Emma Robinson apparently climbed into the refrigerator and pulled the door closed yesterday.

Pieper said food and trays had been removed from the refrigerator and placed nearby. The woman's shoes were placed in front of the door.

The body was discovered by the woman's daughter, Mrs. Emily Heidish, who came to the apartment to have lunch. Fred Robinson, the victim's husband, said his wife had been under the care of a physician recently.

The merry-go-round-robin of discussion on who or what is going to run the ambulances in Warren after September 30th advanced no further at Warren Council meeting last night.

Councilman W. E. Miller, head of Council's ambulance committee, read a few excerpts from a Citizens Committee report which maintained that the proper home for the ambulance issue was in borough Council's lap.

Asking that more time be given to study the problem, Council members agreed the topic should be returned to the committee for more thought.

Meanwhile the undertakers have said in definite concert that they are ceasing the money-losing ambulance operation at midnight Sunday, September 30th.

Next meeting of Council is scheduled for October 8th. According to one reliable source, no special Council meeting is anticipated.

Members of the Council ambulance committee besides Miller are M. R. Emery, G. J. Patchen, Nick Merenick, P. W. Yagge and J. A. Carbon.

Engineer Outlines Plans For Permanent Flood Control at Indian Hollow and Glade Run

Continuing development of plans for permanent flood control measures along Indian Hollow and Glade Run were laid before Warren Borough Council at its meeting last night in Council Chambers, Municipal Building.

Confronted with a 150-signature petition from Indian Hollow area residents asking that they be appraised of progressing permanent flood protection plans, Borough Engineer Robert DeBell outlined a tentative program (subject to state approval) which could be underway within 35 days.

Council members also approved a lease agreement which would bring twin-engine rental planes into Warren airport, besides providing a shuttle service to Jamestown and Bradford air strips.

Borough Engineer Robert DeBell outlined three prospective plans which current engineering surveys show could help control Indian Hollow Run, a classic example of flash floods this summer.

First proposal would call for enclosing the run in a concrete pipe the entire length of its present stream bed. Proposal No. 2 would transplant the present channel from Orchard Street to Conewango Creek in a new stream bed along a Roy Street route, plus enclosing the rest of Indian Run as in Plan No. 1.

The third proposal calls for dredging an entirely new channel some 150 feet south of, and approximately parallel to, Fifth Avenue.

Borough engineer DeBell said this plan, which would provide the shortest route and require a smaller pipe because of faster flow, would be the cheapest. He also mentioned it could be the most effective as overflow would course down the present stream bed in controllable mounts. Preliminary (Turn to Page Three)

Architectural Firms Will Be Asked To Restudy Surveys on Probable New School Sites

Members of Warren School Board Joint Committee last night approved a motion requesting the two architectural firms making surveys of a prospective new high school building to restudy their data and bring it up to date.

Committee head Melvin Keller pointed out that it has been two years since the original surveys were made. Since then there have been changes in room schedules and costs have risen.

A delegation of 17 persons representing various local groups was on hand for the meeting and afterward engaged in an informal discussion with board members about the new high school project.

The board asked that the two architectural firms update the projects as rapidly as possible and members stated they hoped the complete details of both surveys could be made public at the next meeting, Oct. 8.

Myers, Krider, Werle and Ellenberger is the Erie firm of architects studying the new high school proposal and Lawrie and Green of Harrisburg is the other.

Committee head Keller noted that board was pleased to have visitors at its meetings and welcomed the group present last night. He commented though that the helpfulness of any group was contingent on its not becoming a "pressure group."

School superintendent Dr. Carl E. Whipple noted that the local board has yet to hear the report from the Commonwealth's Department of Public Instruction on the findings of a three-man evaluation team which visited here on August 15th.

A report was expected within a month to six weeks following the inspection. However, it was noted the local request for state aid is numbered 1,001.

Superintendent Whipple said first enrollment figures from the fall term showed a record 3,786 pupils in local schools. The figure was the highest since records were begun in 1911.

In 1912 the enrollment was just below 2,000 students. In 1931-32, Whipple stated 3,250 pupils were among those present. Then the total dipped once again until 1953 when the number rose to 3,250.

The registration figures include 1,691 elementary students, 1,213 at Beatty and 882 in Warren High School.

In other matters the board: Accepted resignations of Max Nemer, Homer Barr and Suzanne Offerle, and employed to fill the respective positions, Richard Kaufman, Harold Miller and Marilyn Pastick;

Noted School Physician John Larson would examine kindergarten, first and third grade pupils and also school employees; School Dentist Dr. Lawrence Krespan will examine first and third graders;

Ordered paid costs of \$823 for adult driver education and approved request to start another group of 24;

Approved request allowing Harry Summers to serve on evaluation team for Corry High School, with Whipple as chairman;

Approved request for Mrs. Robert Whitehill to serve on state committee to write a homemaking bulletin;

Approved these organizations to use school facilities on these dates: Masons' banquet, Beatty, Oct. 24; Zone Home Furnishing Show, Beatty, Sept. 28-29; Philomel Club, Beatty, Triggs recital, (Turn to Page Seven)

Washington (AP)—Senate investigators will consider questioning Gov. Averell Harriman of New York about a published report he spent two million dollars on his futile bid for the Democratic presidential nomination.

Chairman Gore (D-Tenn.) of a subcommittee investigating campaign practices disclosed this to newsmen today after a fellow committee member, Senator Curtis (R-Neb.), proposed Harriman be called to testify between now and election day.

Gore said, however, he would be against bringing Harriman to the witness stand "unless we had something more substantial to go on" than the report cited by Curtice, a Drew Pearson newspaper column.

The report Curtis quoted said Harriman offered to pay expenses of Democratic convention delegates and also proffered such inducements as free whiskey in an effort to win the nomination, which went to Adlai Stevenson.

Curtis stressed he was not vouching for the accuracy of the published report. But he said he thought Harriman should be given an invitation to comment on it, and he offered a formal motion to that effect.

Albany, N. Y. (AP)—Atty. Gen. Jacob K. Javits and New York City's Mayor Robert F. Wagner squared off today for what each promises will be a hard-fought campaign for Herbert H. Lehman's U. S. Senate seat.

Javits, nominated unanimously yesterday by the Republican State Committee, served notice that he was through denying reports that sought to link him with Communists early in his political career.

"Let us get on with the business of this great campaign," he said in his acceptance speech.

Wagner, designated as the Democratic nominee by a cheering, turbulent convention in the city's largest movie theatre, was championing the bit with equal spirit.

"I'm not in this campaign halfway," he said. "I'm in with both feet. I'm out to win."

Lehman, 78, cited his age when he announced his retirement last month.

Javits interpreted his nomination to mean Republican acceptance of his blanket denial of Communist associations.

COMMONS TO HAVE REPORT ON THURSDAY

BULLETIN

Washington (AP)—The United States in effect today threw cold water on Egypt's proposal that a new international conference be called to settle the Suez Canal dispute. A State Department spokesman, commenting on Egypt's proposal, said flatly "it is doubtful that a further conference would serve a useful purpose."

Press officer Lincoln White told a news conference that nations representing more than 90 per cent of Suez Canal shipping were represented in the Cairo conference with President Nasser which failed on Sunday. Egypt has suggested a meeting of all countries which use the canal in order to get all views.

By ARTHUR GAVSHON
London (AP)—Britain and France warned Egypt today they are ready to use force if necessary to protect their rights in the Suez Canal.

A high political source said, however, Britain would lay the Suez dispute before the United Nations as the next step toward a solution.

A communique issued by British Prime Minister Eden and French Premier Guy Mollet said they are determined "to resist by all appropriate means any arbitrary interference with rights under international agreements" in the Suez crisis.

Winding up two days of emergency talks, they declared themselves in full agreement on "further measures to be taken" in the light of Egypt's refusal to negotiate an international system for operating the canal.

These "further measures" were not spelled out.

A Foreign Office spokesman said, however, the measures will be disclosed in the British House of Commons, which meets in emergency session tomorrow and Thursday.

Just before the communique was issued a British political informant said the Eden government had definitely decided to place the Suez dispute before the United Nations, (Turn to Page Seven)

Washington (AP)—The United States has sent a formal note to Red China which strongly protests "the shooting down of an American Navy patrol plane off China August 23."

The American note, sent through the British Embassy in Peking, served notice that Red China will be asked to "pay all damages" including compensation for the loss of the 16 crewmen as well as the aircraft.

The shooting by Red fighters was denounced as "without warning" and "unjustified."

Sylvania Opposes PRR Passenger Curtailment

Harrisburg (AP)—The Sylvania Electric Products Corp. of Emporium and several passengers have opposed a Pennsylvania Railroad plan to drop a pullman car from a through train between Erie and New York City.

The firm contended that discontinuance of the car would mean "loss of overnight pullman service between northwestern Pennsylvania and metropolitan New York."

Sylvania added that the change would necessitate "delayed and difficult" connections requiring passengers to wait at intermediate points at very early morning hours.

Popcorn Election Poll Launched in Nashville

Nashville, Tenn. (AP)—Jim Blevins thinks he knows how to find out who has the Presidential election victory in the bag—and he has already started popping the question in the popcorn poll.

Blevins doesn't go in for small scientific opinion samples. He plans a mass check on the sentiments of millions of popcorn eaters. Blevins is, of course, in the popcorn business.

He is putting out 25 million containers to vendors, half of them picturing the Republicans' Eisenhower-Nixon and half of the Democrats' Stevenson-Kefauver. Certified public accountants will tabulate consumer preferences.

If you're inclined to take your popcorn polls with a grain of salt, consider this: Blevins says the 1952 popcorn vote called the turn precisely.

What to name the baby? Big Problem for Grace and Ranier

New York, (AP)—Grace Kelly came home today for the first time as Princess of Monaco. She disclosed that she and her princely husband have the same kind of problem that has beset many another husband and wife:

What to name the baby they are expecting.

She and Prince Rainier III, arriving on the liner United States, old reporters that they've had a disagreement "on the name of the baby."

She also reiterated that her movie career is "definitely over" and added: "I haven't the time to miss the life of an actress."

Reporters immediately wanted to know if the couple had any domestic disagreements since their celebrated marriage in Monaco last April and Rainier replied:

"I'm not supposed to say."

"I'm not supposed to say."

Chester Times Settles Labor Dispute With Guild

Chester, (AP)—The Chester Times resumed publication today after two newsless days—Saturday and Monday—caused by the strike of the American Newspaper Guild.

The walkout that began early Saturday was settled yesterday when negotiators for management and union announced the signing of a new two-year contract that raises the top minimum salary for reporters immediately to \$119.50.

Robert S. Howard, Times publisher, and I. Michael Segal, president of the Newspaper Guild of Greater Philadelphia, announced a joint statement that the job security clause, crux of the dispute which led to the strike, was "basically the same as the one in the expired contract." It provides for arbitration of any dismissals.

Retailers Further Plans For October "Old Fashioned" Days

Warren Retailers furthered their plans for Old Fashioned Bargain Days in October when the Retailers Committee of the Chamber of Commerce met last night for dinner and business session. The "Old Fashioned Bargain Days" will be a three day event offering flat shopping values as well as special attractions and entertainment for young and old.

Highlight of the celebration will be a real old-fashioned wedding for the public to attend but there will also be special old-fashioned harmony, antique cars and horse-drawn vehicles, old-fashioned costuming and decorations and several other special features not yet revealed. At least forty Warren merchants are expected to take part in the promotion which is under the chairmanship of Chester West.

The committee also heard a report on the progress of the Parking Authority campaign from Chairman Krimmel who said that \$6,825.00 has been donated by 60 downtown business places in amounts ranging from \$30 to \$460. The campaign will continue giving those who haven't yet contributed a chance to participate in this long range parking project.

The committee also held preliminary discussion on proposed Christmas store hours and Christmas promotion and heard a report on the recent Dollar Days sales event which featured the distribution of giant dollar bills.

Chairman Jake Levinson introduced the following guests who will assist in the Old-Fashioned Days celebration: "Sparky Saylor", Times-Mirror; Frank Foster, WNAE, and John Carbon, Warren Observer.

Diocesan Catholic Laymen To Gather Here Next Sunday

A meeting of the officers of the Erie Diocese Catholic Laymen's retreat will be held Sunday afternoon, September 16, at the Knights of Columbus Hall, Warren Council No. 964.

Erie Diocese Catholic Laymen's retreat movement embrace North-western Pennsylvania counties of Erie, Crawford, Mercer, Venango, Forest, Clarion, Jefferson, Clearfield, Cameron, Elk, McKean, Potter and Warren. The counties are represented within the Erie Diocese by the four retreat leagues of Erie County Retreat League, Venango-Crawford Counties Retreat League, Mercer County Retreat League, and the Archbishop Gannon Retreat League for remaining counties.

The purpose of the meeting is a mutual discussion of past and future endeavors, and to assist Retreat Officers to formulate and conclude plans for the 1957 retreat weekends scheduled for the months of July, and August at Christ the King Seminary, St. Bonaventure, N. Y.

A. B. Chiaramonte of Warren, President of the Archbishop Gannon League for 1957 will welcome the group. A delightful luncheon will be served under capable direction of Mrs. Theodore Kamen and aides.

Dignitaries attending from out of town are Rev. Father E. James Caldwell, Diocesan Retreat, Erie, and James T. Burton, K. S. G. Bradford.

Clarendon Man Injured In Crash Near Russell

A 26-year-old Clarendon man escaped with his life last night when the car he was driving went out of control on Route 62 a mile above Russell, slipped down a bank and slammed into a barn, completely wrecking the vehicle.

Richard Brink of Clarendon was reported to have spent a "fairly good" night at Warren General Hospital where he was admitted about 11 p. m. The mishap occurred as Brink drove toward Russell. His injuries include "severe abrasions about the face and a scalp laceration."

At the Hospital

Admitted Monday
Tommy Burleigh, Grand Valley
Randell Carlson, Sheffield
Terry Lynn Russell, 209 Madison.
Donna M. Welch, East Hickory
Mrs. Mary H. Young, 223 Penna. w.
Mrs. Genevieve Bloomgren, RD 2, Akley
Mrs. Emma M. Dahlgren, Sheffield.
Mrs. Marie Halle, RD 1, Warren
Mrs. Lillie Dahlstrom, Garland
Mrs. Louise Hubbard, 410 Taft
Mrs. Helen Westfall, Tidoute
Mrs. Edna Engle, 176 Crestview Blvd.

Mr. and Mrs. Gerald E. Young, 223 Pennsylvania avenue, west, a son, September 10
Mr. and Mrs. Guard E. Pierce, 124 Elm street, a daughter, September 10.

New Officers for Local Legion Post

Past Commanders were in charge of installation of new officers at the meeting of Chief Complanter Post, 135, American Legion last evening, with a large crowd in attendance. The new officials are shown left to right in the above Timesphoto by Saylor: Gregg Boiger, senior vice commander; Sig Anderson, Historian; William R. Walker, Commander; Alan Buerkle, vice commander; Joseph Bunk, junior vice commander; Donald Anderson, sergeant at arms; Walter Ahlquist, adjutant; Edward Stahl, finance officer and David Deardorf, chaplain, were unable to be present.

William R. Walker, who was elevated last evening to the Post of Command of Chief Complanter Post 135, is the first son of a Past Commander to attain that office. Mr. Walker's father, William I. Walker, served as Commander for the term 1941-1942. In honor of this occasion, a Past Commander's Dinner was held immediately preceding the installation of officers with 22 Past Commanders and Officers and as guests Dr. G. F. Clumetti, Chef de Gae Passe of the 40 et 8, and Sidney Miles, Past Commander of Post No. 179, Yeaton.

The dinner was served by a committee from the American Legion Auxiliary headed by Mrs. L. P. Krespan. The Past Commanders served as officers for the installation ceremony with Harold Putnam in charge. Those Past Commanders participating were Richard Hansen, Walter F. Johnston, Torsten H. Milenius, Ralph M. Chester, Ralph E. Brasington, Harry F. Nelson, Donald E. Schuler and John S. Barr.

The Officers who were installed at that time to serve for the ensuing year with Commander Walker are: Senior Vice Commander, Gregg Boiger, Junior Vice Commander, Joseph Bunk; Adjutant, F. Walter Ahlquist; Finance Officer, J. Edward Stahl; Chaplain, David Deardorf; Sergeant at arms, Donald Anderson; and Service Officer, Jerome Waxman. Commander Walker, following his installation presented the Past Commanders pin to the retiring Commander, Alan H. Buerkle.
Robert Dunham, Jr., who was the representative of Chief Complanter Post at Keystone Boys State, the Legion sponsored camp

USAF ENLISTEE — William Cleon Douglas, 19 year old son of Mr. and Mrs. Cleon Douglas of 203 Cayuga avenue, has enlisted in the U. S. Air Force and has been assigned to Lackland Air Force Base at San Antonio, Texas, for basic training. Graduate of Warren High in 1956. Bill sang in both the school A Cappella Choir and the First Methodist church choir. (Photo by Kofod).

Borough Swimming Pool Meeting Will Be Held Wednesday

Judge Alexander C. Flick, representing the Warren Area Chamber of Commerce, will serve as moderator for the meeting Wednesday night of civic leaders when the possibility of a borough swimming pool will be discussed.

Wednesday's night's meeting which will start at 7:30 p. m. in the YWCA has been called by the Warren Zonta Club which would like to see the swimming pool project become a reality and will offer a substantial contribution to the proper sponsoring group.

The Zonta Club has invited more than 50 persons to the session including leaders of civic and service clubs, women's organization, borough and county officials, and labor unions.

The Chamber of Commerce has been assisting the Zonta Club in arranging the meeting and will have some facts and figures about swimming pools for presentation at the gathering.

More Members Are Needed to Assure JC Concert Series

The 1956-1957 Concert Series of the Warren Junior Chamber of Commerce may bring to an end the nine-year old project. This was the unhappy prediction of the Jaycee Music Committee which met last night and learned that only 400 season tickets had been sold for the coming series. At one time the concerts attracted 1200 persons to the outstanding musical attractions.

The committee reported that a small reserve plus the money realized from last fall's campaign would enable three fine concerts to be presented this season, but the series could not continue to function in the future with only 400 members, a spokesman said.

The Concert Series was one of the first civic projects undertaken by the Jaycees when the club was organized in 1947. At first the concerts were given in the Woman's Club auditorium which was completely sold out. The membership increased each year until it was necessary to use the larger Library Theater for the events. When Beatty Auditorium was completed the series moved to this location but attendance has gradually decreased.

The committee will decide later this week what, if any, action will be taken to keep the series in Warren. It is customary to hold only one membership campaign each year but the disappointment of staging concerts in a half filled auditorium may influence the committee to hold another drive this fall if there are enough citizens who wish to keep the project alive.

Some of the great artists who have appeared here in the past few years include Vienna Choir Boys, Iturbi, Patrice Munsel, Ferrante and Teicher, Longines Symphonette, Robert Merrill, Pittsburgh Symphony and Jerome Hines.

Word comes from Fort Sam Houston, Texas, that 2nd Lt. Benjamin Firth, son of Mrs. Viola Firth of Lander and the late Albert Firth, continues his progress in the fencing field with selection as Air Force representative on the U. S. Modern Pentathlon Team. Ben is currently training for the Olympics finals October 10-15.

Five hundred pupils were enrolled in the West Forest Joint School at Tionesta last week for the 1956-57 term, according to Supervising Principal H. C. Seigworth. School opened on Tuesday but Wednesday was the first regular day of classes.

Area police are on the lookout for a tall attractive woman dressed in black who "purchased" \$140 worth of clothes at two Oil City shops on Saturday and paid for them with bogus checks. Oil City police informed Titusville officers that the woman weighed about 140 pounds and was wearing a black dress and hat when she passed a \$90 and a \$40 check. They said in both cases before taking them she showed the clothes she "purchased" to a man who was sitting in a car in front of the shops.

Monthly Meeting of the Y-Bar-U Saddle Club

The monthly meeting of Y-Bar-U Saddle Club, Inc. was held at the home of Mr. and Mrs. Phil Hohnman, with 24 members present, and the names of nine people applying for membership presented.

The following officers were elected for the ensuing year: President, Charlie Carlson; vice president, Bud Sherman; secretary, Anne Sherman; treasurer, L. Edward Johnson; board of directors, Phil Hohnman, Levi Carlson.

A lunch of hot dogs and corn on the cob was enjoyed by all. The October meeting will be held at the home of Mr. and Mrs. Charlie Carlson.

HERE FOR FUNERAL

Out of town persons here to attend the funeral services of Miss Audrey C. Summerson were Mr. and Mrs. Mark Summerson, Mr. and Mrs. G. Wilcox, Pittsfield; Mrs. Gail Cook, Falconer, N. Y.; Mrs. Paul Dalley and Mrs. Ken Patchen, Erie.

CIVIL DEFENSE RESCUE DIVISION

WILLIAM E. YEAGER, JR.

The idea for a Water Rescue Division of Civil Defense in Warren County, believed to be the first of its kind organized anywhere, was conceived by County Civil Defense Director, Wm. C. Fuelhart, immediately following the disastrous flood of March 28, 1956.

In addition to a call for volunteers in the papers and on the radio, those selected to direct the organization of the unit attempted to enlist all those who assisted in the flood as well as all other known boat enthusiasts. There was much interest in the project and nearly fifty persons were present at the first meeting held in April.

Recruiting continued along with an attempt to determine what equipment was necessary and as much equipment as possible was obtained immediately. This included boat hooks, ropes, gas cans, outboard motor, oil, shear pins, grappling hooks, etc. Another piece of equipment which has proved its worth is the two-way radio installed in the Rescue Director's car. This was purchased through the generous contributions of several local businesses and makes it possible for the rescue squad to be in touch with county headquarters at all times and also to have communications among boats or other operating units by means of the Civil Defense portable radios.

It became evident soon after organization that in order to keep interest high, it would be advisable to expand the scope of the group to include all types of rescue operations and steps were taken toward this end.

The prompt organization and early preparation paid off sooner than anticipated when on May 12th a request for aid was received from Waterford where several Scouts had drowned in French Creek. Four boats and motors were dispatched with four operators who arrived on the scene just before the tragic drowning in Warren that afternoon. They were informed by radio and returned to Warren about dark to assist in operations the next day. In the meantime about ten boats and crews were searching the river be-

low Warren along with several fire departments and other interested volunteers.

The next day operations were resumed with about 50 men and 15 boats under the joint direction of the Rescue Director and the Fire Chief assisted by several men from Chautauqua County whose advice proved very valuable. Shortly after noon it was deemed advisable to discontinue operations due to the hazardous water conditions and the resulting danger to the workers. It was decided to wait until the water had receded before attempting further search.

By the following weekend the river had dropped enough to allow relatively safe boat operation. It was still necessary, however, to use motors for dragging which was a great handicap. The group worked Saturday from noon until dark, returning early Sunday and working all that day. At this time it was decided that the vicinity of the drowning had been searched as well as possible and it was useless to work more with grappling hooks. The banks of the river had been thoroughly searched and the operation was discontinued. It is interesting to note that the body was eventually found several miles from the scene by the son of one of the men who worked hard during the organized search.

Following the flood there had been talk of locating Army "Ducks" which would be available to the county in case of another such disaster. It was found that the Army was to sell some at auction and after a trip by two of the rescue staff to Chambersburg to inspect them, it was decided to bid on one such unit. One of the staff, along with the County Civil Defense Assistant Director, went to

the sale and succeeded in buying the best unit for \$525.00.

It was paid for by a grant of \$300.00 from the County Commissioners and three donations of \$100.00 each by three interested local industries. This left a small amount to cover expenses incidental to placing the unit in operating condition. It was transported to Warren by a local industry and work was begun immediately to refinish and repair it. All of this work was done by the members and nearly all of the material used was donated. After many hours of tedious scraping, painting and mechanical repair, the "duck" was ready for unloading in the July 4th parade and soon after that was officially christened and launched in the river. Training began immediately so that a trained crew would be available to man the "duck" in any emergency.

Within a very few days of the launching came the flash floods of July 28th when between twenty and twenty-five families were removed from homes in the Glade Run area with the "duck". This was the only unit which could have done the job as the tremendous current made the use of boats impossible. Boats were used about ten days later to remove several people from the Oakview area when a similar flash flood occurred.

The group has continued to grow steadily until it now has 105 members with 52 boats and motors available for use as well as the "duck". The members are being trained in the use of the various pieces of equipment and first aid and life saving classes will be started soon. Much equipment has been purchased and purchases of more necessary equipment will be made as funds become available.

More men will be needed as the organization expands and prepares to cope with a wider range of emergencies. It is hoped that soon the group will be equipped and trained to handle any type of rescue mission.

The very satisfactory growth and development of the Rescue Division has resulted largely from the support and help rendered by Mr. Fuelhart and other members of the Civil Defense organization and especially the help of the Fire Departments. Both the Warren Fire Department and the various Volunteer Departments of the County have helped with labor, training and advice which have been invaluable.

With the support which has been evidenced by Civil Defense, the Fire Departments and those individuals and businesses who have contributed so unselfishly of their labor and funds, the Warren County Civil Defense Rescue Division should undoubtedly soon be one of the leading rescue organizations in the area and should be very valuable in time of disaster. It has already proved its worth several times in the few months since its organization and it will certainly become more valuable as time goes on.

The unit is available at any time for any type of rescue work and may be reached by calling Civil Defense Headquarters or asking the telephone operator for the Civil Defense Rescue Division.

Engineer Outlines

(From Page One)

estimates say approximately \$80,000 would be necessary for the Indian Hollow Run permanent flood control.

Above this channel tube, on upper Indian Run, the survey shows that a series of stilling walls and trap basins above Beatty Street would help collect debris which has clogged the stream previously.

Over at Glade Run, DeBell said preliminary improvements on sewer and water mains damaged in summer flash flooding would probably be started this week.

The borough engineer also noted that constant telephone communication with the Pennsylvania Department of Forests and Waters had resulted in assurances that work on permanent flood control for Glade Run would begin within 35 to 60 days. The project would continue until late fall and then resume next spring or summer for completion of both Indian Hollow and Glade Run proposals. Department of Forests and Waters has informed local officials that men have been taken off other flood control projects throughout the state and transferred to pressing local conditions.

Total costs of both permanent flood control projects is expected to run to a quarter of a million dollars. The Glade Run improvements are estimated to cost in the neighborhood of \$150,000. DeBell noted that funds are available from the state in monies allocated to Civil Defense disaster relief following hurricane Diane which struck downstate last year.

In other matters, borough council passed resolutions formalizing new echelons of authority in the police and fire department.

Top rankers in Civil Service examinations given August 31 were assigned the following positions:

L. H. Mintzer, assistant fire chief (a new job created at the request of insurance underwriters); Erna Fitzgerald, fire captain.

In the police department, W. E. Hewitt and W. H. Ristau were awarded the rank of sergeant; Charles Dorotic was made a probational police officer.

All but the latter appointments will take place September 16th.

Public Safety Committee Chairman Glen Patchen offered two resolutions (accepted) requesting the Pennsylvania State Highway Department to conduct a traffic study for establishment of traffic lights at the corners of Pennsylvania avenue and East street and Pennsylvania avenue, west, and Morrison street.

If approved eventually by council, the light at the corner of Penn avenue and Morrison would do away with the existing McClintock school light at the intersection of Pine and Penn. The Morrison street intersection light would be a manually-controlled traffic signal, operated by a push button on a corner pole for pedestrians.

Nick Merenick, Public Works Committee chairman, had accepted his motion accepting the paving petition by Buchanan street residents between Verbeck and Division street.

P. W. Yagge, Building and Lands Committee chairman, sponsored a resolution which permits the borough to enter into a contract agreement with Melvin E. Barron of Hiram, Ohio, for operation of Warren airport.

Under terms of the proffered agreement, Barron would pay the city \$35 a month for the airport hangar apartment and operate to his own financial benefit the hangar and lease of airplanes. Barron has indicated he will bring twin-engine planes to Warren on a lease basis. He has also stated he might set up a shuttle service between the Warren port and those in Bradford and Jamestown.

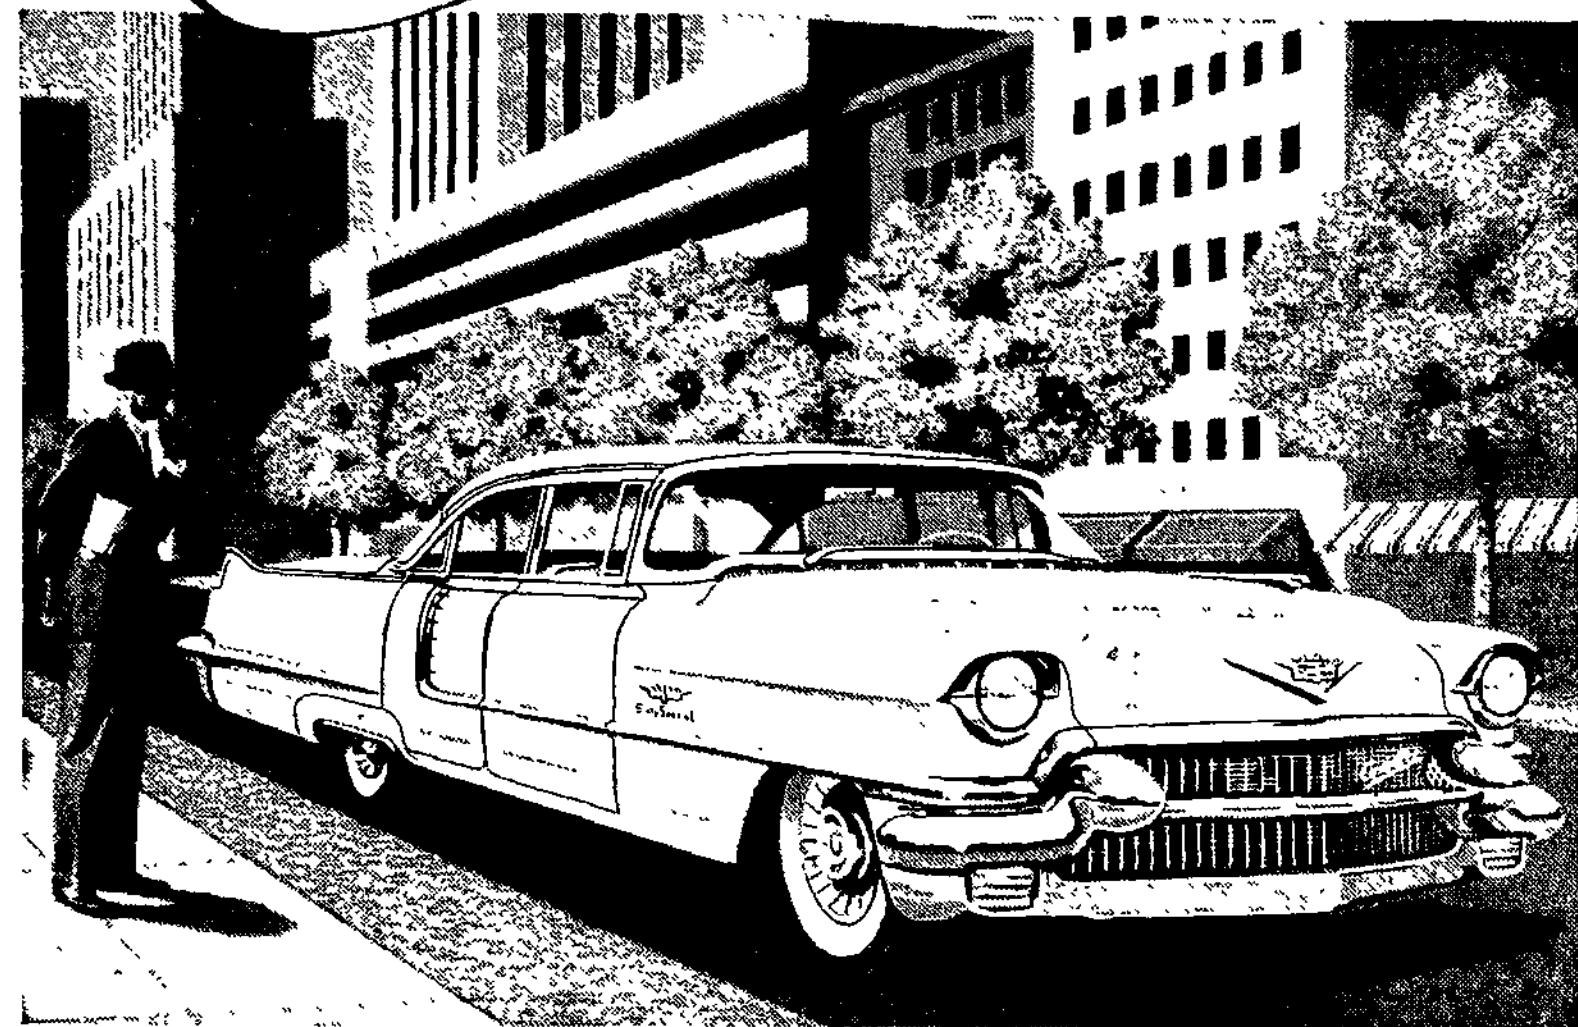

Roy Schneek, representing officials from Hammond Lion, Struthers Wells, United Refining, Deluxe Metal and Penn Furnace, read a statement given Council members which briefed them on results of a survey among local industries conducted by Warren Chamber of Commerce some time ago.

The survey stated that present conditions at Warren Airport were a "backward step" in community progress, already set back by curtailment of railroad service, and burning of Hotel Carver.

The pamphlet, signed by R. S. Doebler, chairman, Special Airport Committee, Chamber of Commerce, said the Chamber would back needed improvements at Warren Airport to the extent of a probable \$5,000. The statement then requested that borough council provide a system for acquiring the remaining \$3,000 to \$5,000 which the committee had estimated airport runway improvements would cost.

Concluded the statement: "As a result of local industries' interest in our airport (22 of 35 industries thought the airport should be maintained for the good of the community) and their willingness to bear a substantial portion of the expense of repairing the runway,

Cadillac

To the Man Who is Hesitating ...

There are many motorists here in this community who have given serious consideration to the purchase of a new Cadillac car this year—and yet, for one reason or another, have not made the move.

If you are among them, we hope that you will pause to read the little message that follows. For we are sure you will find it interesting.

Ordinarily, when a man hesitates to make the move to Cadillac, it is because he is not familiar with the practical aspects of Cadillac ownership.

Insofar as original cost is concerned, a Cadillac is eminently practical. Several models, in fact, are actually priced competitively with the so-called "medium-priced" makes.

Operating and maintenance costs are also remarkably low. We have heard it said by new

owners that Cadillac is the most economical automobile they have ever owned.

And as for resale value—well, Cadillac traditionally retains a greater share of its worth through the years than any other motor car in the land.

In short, the great Cadillac car represents one of the wisest and soundest automotive investments on the highway today.

The moral of our message is this: It is still not too late to set things right in a 1956 Cadillac of your own!

We have a selection of new Cadillacs on hand—and we can promise you both prompt delivery and a generous trade-in allowance.

Why not come in today?

Fernow Pontiac-Cadillac Inc.

1511 Penna. Ave., East

Warren, Pa.

we urgently request that Council take favorable action to provide the remaining funds that are required. This will be an improvement to Warren facilities and is an added factor in attracting industry and business to this community."

Councilman W. E. Miller reported that federal funds, up to the amount of \$250,000 were now available communities for new sewage disposal plants. In a bill passed July 9th, Miller noted the federal government had allocated some \$50,000,000 over a ten-year period for use of those projects.

In a special commendatory note at the conclusion of the meeting, Councilman Patchen stated that the Warren Police Force was one of three for its population group across the state which had been singularly honored for having no school traffic deaths during the past year.

The Rev. Frederick B. Haer of First Lutheran church gave the opening invocation.

SUGAR GROVE

Sugar Grove—Mr. and Mrs. William Frank, Walton, N. Y., have been spending several days with their mother, Mrs. Kit Frank, and family, continuing on from here to attend the Toronto Fair. They were accompanied by Hortense Frank, and William Lanning of North Warren.

Nurse Is Erie Bride

St. Peter's Cathedral in Erie was the scene of a pretty wedding at 10:00 a. m. Saturday, when June L. Whitcher, who has been employed as a registered nurse at Warren State Hospital, became the bride of John A. Gehrlin, son of Arthur E. and the late Helen Fischer Gehrlin, also of that city. Father Weber performed the double ring ceremony before an altar decorated with white gladioli, and wedding music was played by Alex Allard, cathedral organist. Given in marriage by her brother, Claude Whitcher, the bride wore champagne colored satin, with embroidered sleeves and bodice, full skirt and cathedral train. Her fingertip veil was attached to a flat cap of embroidered satin and she carried red roses attached to her prayer book. The maid of honor was Rolando Legler, Erie; bridesmaids were Mrs. Katherine Gehrlin Carneval, Erie; Madeline Slater, Roystone, and Judy Whitcher, North East. All wore mint green satin-backed crystallette, with dark green back panels and dark green bows on the bodice fronts. Brief veils were attached to dark green ostrich feathers, with pearl trim. The maid of honor carried peach sweetheart roses; the others, pink sweetheart roses. Debby Berringer, Pittsburgh, as flower girl, wore full-skirted satin, with square satin collar topped a nylon-covered bodice, her gown having been designed by the bride. A hair bandeau of pink roses completed her outfit. Paul Kloecker, Erie, was best man; ushers were John Carneval and Lee Bowersox, Erie; Francis Whitcher, Buffalo. Grandmothers of the principals wore navy blue and corsages of

—Rahja Studio
MRS. J. A. GEHRLIN

pink carnations. Mrs. Claude Whitcher, sister-in-law of the bride, wore black lace over brown silk, with white carnations. The reception for 300 guests was held from 3:00 until 6:00 p. m. at the General Electric Community House, where appointments featured a bride and groom, made by Mrs. Merle Greenwalt, North Warren; a bride doll made by Mrs. Carl Berringer, and late summer flowers. Out of town guests were Mrs. August Bova, Mrs. Josephine Knoll, Sally and Barbara Bova, Warren; Mr. and Mrs. Mele Greenwalt and Mrs. O. Look, North Warren; Mr. and Mrs. Louis Slater, Madeline Slater, Roystone; also friends from Detroit, Cleveland, Buffalo, North East and Findley Lake. For a wedding trip to Miami, Fla., the bride chose a navy suit with red trim, matching accessories, and red roses. Returning, the couple will reside at 427 West 9th street, Erie. The bride is a graduate of Clymer Central School and St. Vincent's Hospital School of Nursing. Mr. Gehrlin was graduated from Cathedral Prep, served two years in the Army, and is employed by the City of Erie. Pre-nuptial parties included a breakfast-shower given by Mrs. Greenwalt, North Warren; shower at Roystone by Madeline Slater and Sally Bova; a dinner by Mrs. Jo Mock, Warren; a party by Mrs. Knoll, Warren; and three parties in Erie.

Presbyterian Speaker

Mrs. Russell C. Putnam, who is the wife of Prof. Putnam of Case Institute of Technology in Cleveland and active churchwoman of her area, will be guest speaker Thursday for the luncheon-meeting of the Presbyterian Women's Association, scheduled at 1:00 p. m. in the YWCA activities building. She will be the house guest of Mr. and Mrs. Fred C. Plummer, West Fifth avenue, while in town. Mrs. Putnam was born in South Dakota, attended the University of Colorado, and taught school for several years before her marriage. She is president of the International Christian Women's Fellowship of the Disciples of Christ, the Cleveland Council of Church Women, and the United Church Women of the National Council of Churches. She is also a member of the Case Faculty Wives Organization, and the Women's City Club of Cleveland. She has traveled extensively in this country and has visited Europe, Asia, Mexico, and South America. In 1954, she went to Japan to serve as a member of a commission to study the Disciples position in the United Church of

Japan and, last summer, visited a number of protestant churches in European countries while accompanying her husband as delegate to the International Committee of Illumination in Zurich, Switzerland.

Programs Arranged For Council of Church Women

Twenty-three women representing most of the participating churches of Warren met in the YWCA activities building Friday for a meeting of the executive committee of the Warren Council of Church Women. Mrs. Charles B. Kinney called the session to order with prayer, and approval was given minutes of the May Fellowship Luncheon, also a levy of five cents per churchwoman necessary to pay many of the desired speakers. Members also voted the Council should observe World Community Day on November 2. Mrs. Neil Donovan and her committee will prepare programs for the six meetings of the Council, for which dates will be November 2, December 7, February 1, March 2, April 5, and March 3. Mrs. Harold Farrell will be in charge of the project for the year. Another vote authorized the Council president to appoint a committee of five members to cooperate with other organizations of the community in promoting activities for girls. Announcement was made of the State Seminar October 25, the theme to be "The Church Woman and Her Community", the place to be announced later. The executive committee voted to contribute \$10 to the Community Youth Ambassador Fund for next year; also to invite all out of town churchwomen to attend regular meetings. It was the consensus of opinion that subscriptions to The Church Woman represent a dollar well spent in keeping members up to date. Concluding the session, all united in repeating the Lord's Prayer.

Presenting - - -

RONALD L. VAN ORD

Son of Mr. and Mrs. Lewis Van Ord, Lander-Russell road, has been home for a few days' visit with family and friends from Washington, D. C., where he is employed by the Department of Justice and is studying business and accounting at Stayer College. Ronnie was graduated from Warren High School with the Class of 1956. During his school years, he was active in orchestra and band, a member of the Field and Stream Club, Archery Club, Camera Club, and was a member of the cast for the senior class play.

HAPPY BIRTHDAY
Russell — Mrs. Hanna Ohman, who recently celebrated her 88th birthday anniversary, was honored with a dinner party given by her granddaughters, Mrs. Donald Anderson and Mrs. Clifford Lundgren. Later, she was visited by relatives from Pasadena, Calif.; Huntington Valley, Pa.; Freysburg, Jamestown, Akeley, Russell and Warren. On September 1st, her grandson, 1st Lt. Glen Strong, and his family from Levittown, Pa., called upon her.

AT BRANCH HOME
The first fall meeting of Susannah Wesley Circle was held at the home of Mrs. E. N. Branch, 32 Water street, with devotions by Mrs. E. G. Garber and the history of the circle presented by Mrs. Leon Laskaris. Concluding, refreshments were served by the hostesses, Mrs. Branch and Mrs. Paul Forbes.

Plays in Movie Short

Friends of Robert L. Dobbs, son of Mr. and Mrs. Felix Dobbs of 3 New Court Place, will be pleased to learn that he is playing tenor sax in the movie short, "Jerry Gray's Band", which was produced by Universal International Studios in Hollywood and will be shown at the Library Theatre Sunday through Wednesday, September 18-19. Also featured in the movie are the Four Freshmen, Delores Hawkins, and Guy Mitchell. Bob has been on tour with the Jerry Gray Band in Washington, Arizona, Nevada, and California, including a five-week engagement at the Hollywood Palladium and two weeks at "The Dunes in Las Vegas". Since he left here for Hollywood in February, 1955, he has been on the road with such bands as Tommy Alexander, Bud Pastor, Luis Arcarez, Skinny Ennis, and now, with Jerry Gray.

Calvary Baptist Events Promise Full Schedule

Signe Erickson Circle will entertain this evening at Calvary Baptist church for a combined session of Women's Missionary Society units. A program of conference women's work has been planned and many items of importance must be acted upon in this first combined meeting of the fiscal year. Wednesday evening is the regular midweek prayer and Bible study night for all Calvary members; Thursday evening, Brotherhood members and their guests will enjoy a 6:30 p. m. pancake supper. Last evening, a special deacons' meeting was held, with a committee present from First Baptist church present to plan evangelistic services October 30-November 4, with Robert McKinney as speaker. The first of a series of 13 Moody Films was shown Sunday evening, along with the regular sungspiration and gospel message. Initial picture was the Biblical story of Noah's Ark. Special music for the morning worship was a song by

Sharon and Ben Obinger and Karen Hagstrom. Next Sunday, the Calvary Baptist Seminar will begin, with four classes in Bible Studies and Bible Principles to be held simultaneously from 5:00 to 6:00 p. m. Rev. G. Forrest Sparks, First Baptist pastor, will teach a class in Baptist Distinctives, and Rev. Ernest A. Hook, of Pennsylvania Avenue Baptist church, will teach "New Testament Studies", both of these for teacher training and offering certificates to all who complete the course. Rev. Robert Hails, of Jamestown's Chandler Street Baptist church, will teach a class on Young People's Problems, and another will be open for juniors and intermediates. The classes will continue each Sunday evening for a 10-week period and all open to all who desire to join with Calvary members in this annual instruction. A short lunch period will follow classes. A Pre-service prayer period will begin at 6:30 p. m., and the evening Gospel Hour will continue at 7:00, with a Moody film shown every Sunday evening for the next three months.

NEWCOMERS' CLUB HAS MEN'S NIGHT
A highly successful Men's Night was held by Welcome Wagon Newcomers' Club when 31 couples gathered for a spaghetti dinner at Limberlost. It was an enthusiastic crowd that donned personalized paper bibs which proved to be a worthwhile investment made by the hostess for the affair, Mrs. Joseph Ward. Following the meal, everyone enjoyed a hilarious business session, conducted by husbands of the club officers and board members. A motion to the effect that "the balance of the treasury be donated to the men for a stag party" was quickly referred to the board for future consideration! One new couple was introduced to the group, Mr. and Mrs. Donald Karl. Guest speaker was LeRoy Schneek, whose appropriate remarks were enjoyed immensely. Dancing to the music of the juke box rounded out the evening, and everyone agreed this meeting was one of the highlights of the year.

"I should chase those three little pigs?"

Big bad wolf
You're smart at last
So button your bib
And break your fast

Stroehmann's

...the line forms on the right

In some homes, poor Sis is frantic when she's late for her date because she had to wait and wait... and wait for enough hot water to take her shower. Seems like Mother, Dad and even the kid brother "beat her to it." In your home, you can put an end forever to standing in line by simply putting in a modern, automatic ELECTRIC Water Heater. It's the safest, cleanest, most dependable... it's economical, too. And heavenly days (and nights)... you'll have ALL the hot water you need for ALL the family; not just instantly, but constantly!

Local Interest in Jamestown Home 70th Anniversary

Warren, and St. Paul's Lutheran church in particular, had a special interest in the 70th anniversary activities at Gustavus Adolphus Children's Home in Jamestown Sunday.

Mrs. Carl Lindahl, 204 Buchanan street, is secretary of the Home Board and was general chairman of the anniversary program. St. Paul's choir was included in the combined chorus of more than 100 singers directed by Miss Edna Goranson.

Among those extending greetings were Dr. Thorsten A. Gustafson, East Orange, N. J., president of the New York Conference; A. Rhea Rein, Jamestown, who is president of Lutheran Social Service, under which are directed the four Augustana Lutheran Homes, Carl W. Hall, Jamestown, commissioner of the Department of Public Welfare.

Principal speaker for the afternoon was Dr. Henry J. Whiting, New York City, executive secretary of the division of welfare, National Lutheran Council.

Another special feature was appearance of the Children's Choir from the Home, ably directed by Mrs. Martin Gilbertson.

FAMILY PARTY

Mr. and Mrs. Andrew Musante, Union street, entertained with a family gathering to honor their nephews, Charles and Francis Mahood, having birthday anniversaries this month and leaving soon for college.

Sons of Mr. and Mrs. Charles Mahood, Laurel street, Chuck will return to his studies at Duquesne University, and Francis will be a freshman at Carnegie Tech. Besides the boys and their parents, guests were Mrs. Dennis DiPiero and family.

All Invited for a Hill and Dale Club Community Show

Lander-Hill and Dale Garden Club members extend a cordial invitation to all residents of the club area to participate in the competition offered by its Community Flower Show from 3:00 to 9:00 p. m. Wednesday at Sugar Grove Presbyterian church.

"Fixin' Flowers" is the theme selected for the show, which is being resumed after many years and which the club hopes to make an annual event.

Mrs. Scott Stuart, Sr., is serving as general chairman; Mrs. Delmar Mickelson is in charge of miniatures; Mrs. Donald Barrett, violins; Mrs. Catherine Carr, potted plants; Mrs. Howard Curtis, arrangements; Mrs. Ralph Burgett, junior department.

Ribbon awards will be given for prize-winning entries, and all are reminded the entry deadline is noontime Wednesday. Exhibitors must provide their own containers, according to show officials. A plant sale will also be conducted as part of the day's activities and tea will be served.

There will be four classification sections: A, annuals and perennials; B, miniatures; C, potted plants; D, juniors in two age groups, under nine, and from nine to 16.

STARBRICK PTA STARTS NEW SEASON

Movies and slides are to be shown for the program at the first meeting of the Starbrick PTA for the new season, scheduled at 8:00 p. m. Wednesday. All attending will enjoy seeing slides of floods Warren and vicinity have experienced this past year, also interesting and beautiful movies of a trip to Florida and other spots.

The business session will start at 8:00 p. m. and all Moms and Dads are urged to show their children that parents are interested in them and in their school. An invitation is also extended to North Warren parents and other interested friends.

PHC TUREEN

A large attendance is requested at the PHC tureen supper at 6:00 p. m. Thursday, and a social time will follow the meeting at 7:00 o'clock.

GRADUATE—Constance Samuelson Haines, daughter of Mr. and Mrs. Harry Samuelson of North Warren, was graduated September 6 from Sewickley Valley Hospital, Sewickley, Pa., where she will continue on the staff. Graduate of Warren High School in 1953, Connie was married February 11 to Benjamin F. Haines of New Castle and they reside in Ambridge.

MARCONI BRIDGE CLUB WINNERS

With maximum 240 and average 120 in last night's weekly Marconi Bridge Club tourney, Mrs. Helen Rockwell and Harry Kopf, Jr., tied with Mrs. J. A. Bevelino and Anthony J. Scallise at 134½ for top position; D. L. Vetera and Robert Larsen, 133½; Mr. and Mrs. James Potter, 122½; Mrs. James Valone and Mrs. Fred Weigle, 121.

In the East-West field, maximum was 216, average 108, and those holding top scores were as follows: Mr. and Mrs. John Israel, 132½; Joseph A. Scallise and James R. Valone, 127½; Mr. and Mrs. J. R. Howell, 118; Henry Hunzinger and Dr. R. H. Israel, 117½; Mr. and Mrs. Al Lorange, 112½.

Members will participate in another of these weekly games next Monday evening, play starting at the usual 8:00 o'clock.

GOLD STAR MOTHERS

Monthly meeting of Warren County Gold Star Mothers, Inc., was held at the home of Bertha Rosenquist, preceded by a 6:00 o'clock tureen dinner, with the meeting conducted by the first vice president, Pearl Fiero, because of the illness of President Emma Kiernan. Roll call found four officers absent. A rummage sale was planned for the very near future; a nominating committee was appointed to select officers for the coming year, composed of Mary Anderson, Mrs. Sasserson and Gerda Carlson.

It was reported Warren County Chapter, Gold Star Mothers, received a citation for being the first chapter in the state of Pennsylvania to have its quota for each of the nine veterans' hospitals in the state paid in full for the year. The next meeting will be held at the Legion Home October 1. The meeting closed with retiring of the colors and prayer.

ALUMNI ASSOCIATION

A large group of members was present for the first fall meeting of Warren General Hospital Alumni Association held at the home of Roberta August at Starbrick Monday evening. The business session was conducted by Dorothy Kottcamp, president, and many items of business were discussed, as well as tentative plans for the coming year, stressing optional programs.

In conclusion, a delightful wieners roast was enjoyed on the lawn, followed by a social time. Assisting Mrs. August on the committee were Marie Bleech and Edith Danielson.

ZONTA LUNCHEON

All members are asked to be present for the luncheon-meeting of Zonta Club at 12:15 p. m. Thursday in the YWCA activities building, since there are important business matters to come before the group for discussion and decision.

LADIES' AID PICNIC

Stoneham Ladies' Aid will meet for a picnic at Warr-Penn Thursday, with all attending reminded to bring their own wieners, rolls and tea towels, the corn and dessert to be furnished. Cars will leave from the community house at 11:30 a. m.

Gathered From The Party Line

David Douds, son of Mr. and Mrs. Carl Douds of North Warren, has left to enter the freshman class at the Carnegie Tech Engineering School in Pittsburgh. Graduate of Warren High School with the 1956 class, David's particular interest was in the National Honor Society Chapter.

Mr. and Mrs. Tom Baxter, Spearfish, S. D., are here to spend a week or so with her mother, Mrs. George Monroe, South Irvine street, and other relatives.

Stephen Coe, son of Mr. and Mrs. Paul Coe, 222 Conewango avenue, has left for Providence, R. I., where he is entering the freshman class at Brown University. Steve was graduated in June from Warren High.

Robert K. Smith, son of Mrs. Esther Smith, Warren-Kinzua road, and members of this year's Warren High graduating class, has left to start his studies as a freshman at Pennsylvania State University. His sister, Marilyn, has resumed her third-year training at Johns Hopkins Hospital School of Nursing in Baltimore, Md., following a vacation with family and friends.

Mr. and Mrs. R. H. Tibbott and granddaughter returned last week from a vacation spent in Norland and Algonquin Park, Ontario.

Weekend guests of Mr. and Mrs. George Lubold, Glade avenue, have been Mr. and Mrs. Herman Busse, Jr., of Pittsburgh, who also visited Emmett and Miss Myrtle Johnson, of Ludlow.

Mary Catherine Morrison, daughter of Mrs. Iona Morrison, Walnut street, and Mary Lou Falvo, daughter of Mr. and Mrs. Sam Falvo, Beech street, left yesterday for Erie, where they will enter St. Vincent's Hospital for nurse's training.

Mr. and Mrs. Nat Drake, Chautauqua, N. Y., were visitors in Warren yesterday.

HERALDS AND MOTHERS

All members and friends are invited to be present for the Little Heralds and Mothers Circle meeting to be held at 2:30 p. m. Wednesday in the primary room of the First EUB church. Mrs. Doris Gnage will be in charge of the program. Mrs. Ethel Kinney will be the hostess.

VFW AUXILIARY

The regular meeting of Dinsmoor-Schwing VFW Auxiliary will be held at 8:00 p. m. Thursday in the post rooms and a good attendance is urged, as various matters of importance will be discussed. Following the meeting, a white elephant sale, with articles to be unwrapped, will be held.

GARDEN CLUB

Clarendon-Garden Club members held a wieners and corn roast at Yagge's camp, and, following dinner, cards were played, with awards going to Martha Schneider and David Johnson. A musical program and dancing were enjoyed. The October meeting will be held at the home of Mr. and Mrs. Orval McBride.

FARRAHETTE MEETING

The Farrahettes will hold their first meeting of the season at 8:00 p. m. Thursday in the Grotto rooms, and a fine attendance is urged to start off the new season.

BUDGET JUDGMENT

Commanding General Visits Co. I

Quadrennial inspection of Company I by the Commanding General of the 28th Division was held yesterday as most of the top brass gathered in Warren. The local unit was given a high rating by Major General Henry K. Fluck, head of the 28th, who commended the officers and men on the up-to-date knowledge of military tactics and procedures, also congratulating the unit for its high level of intelligence and overall attitude. In picture from left, are: Chief Warrant Officer Itinger, Major Branca, Col. Fowler and Gen. Fluck, all of whom were officially welcomed by Burgess William E. Rice. A reception at the Elks Club preceded the inspection later at the Armory on Hickory street. Photo by Gordon Mahan.

JAY BILLSTONE IS BIRTHDAY GUEST

A very happy surprise party was held Saturday at the Stoneham community house, marking the birthday anniversary of Jay Billstone, Warren-Kinzua road. Approximately 70 neighbors gathered to enjoy the tureen dinner and to wish Mr. Billstone "Happy Birthday".

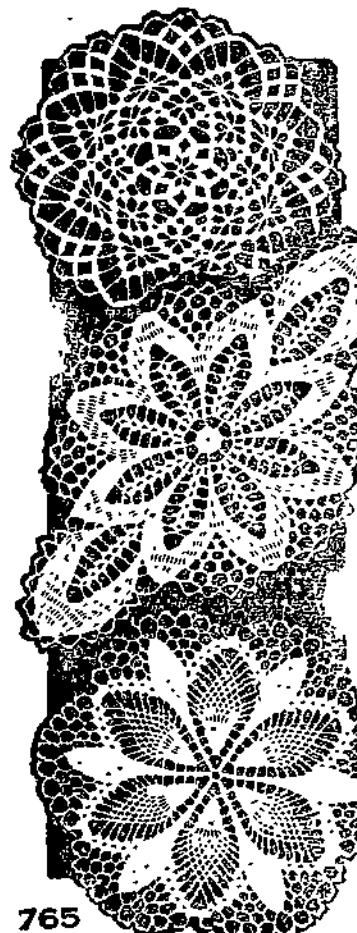

Sandra Ristau, in behalf of children of the community, expressed their best wishes and presented him with a gift, and Curt Sasserson, representing neighborhood adults, made a similar presentation.

Harry Summers led the following band students in several selections: Sue and Roxie Sasserson, Edsel Ristau, Robert Tuttle, Stephen Summers, and Mark Ristau, appearing as "The Woodcrest Weasels". Younger children present sang several numbers and the party concluded with all joining in a general songfest.

POMONA SESSION

Erie County Pomona Grange extends an invitation to all area persons interested in "Road Problems" to attend its meeting at the Phillipsville Grange Hall all day Wednesday.

Laura Wheeler Designs

Sheffield Legion Auxiliary Meeting Interesting One

Sheffield—The September meeting of the American Legion Auxiliary was held at the Post Home Monday evening, with 24 members present. President Bertha Wolfe conducted the session. Mabel Carlson, community chairman, reported on hospital beds, stating any person needing one of these beds may contact her. Others giving reports were Mrs. J. Harry Hanson, dinner chairman, and Mrs. Ruth Howarth, membership chairman.

Mrs. Otto Schmidlin was elected chaplain to succeed Mrs. John Blodgett; Mrs. E. R. Ayers and Mrs. Evelyn P. Gailor were named to attend the president's and secretary's conference in Harrisburg October 6.

Eva Brown and Mrs. Gailor gave reports on the state convention held in Philadelphia in July; Phyllis Epstein, Mrs. Blenda Hinkley, and Mrs. Nell Watts were appointed as auditors; Ruth Work was winner of the White Mule. Refreshments were served by the committee, Emma Christian, Mrs. Earl McCaskey, Mrs. Edna Quist.

WSCS GATHERING

Youngsville — WSCS members held their regular meeting in the Methodist church room, with the president, Mrs. Hugh Schuler, in charge and an attendance of 26 members and one guest, the Rev. J. Norman Holder. Mrs. Wave Carlson conducted devotions, reading scripture, meditation on the theme "Islands Await His Word", and prayer.

Mrs. R. H. Knapp was program leader, assisted by several members. Announced was the project for next month, when members will bring balls, knives, jacks, cars, crayons, dolls, etc., along with new or used clothing for a Puerto Rican mission which this organization regularly helps. Mrs. Hollis Albaugh had a display of beautiful Christmas candles.

Refreshments were served following the meeting, hostesses being Mrs. R. L. Mead, Mrs. William Clark, Mrs. Willis Kay, Mrs. Robert Jewell and Mrs. Warren Hendrickson.

Mrs. Harry Peterson, Mrs. P. J. Finerty, and Mrs. F. E. Shick.

The Auxiliary of the Veterans of Foreign Wars will have its meeting this evening at 8:30 in the clubrooms.

Sheffield Conservation Club will have its regular meeting in Gailor Auditorium at Lincoln School Thursday evening at 8:30. All members are urged to attend. Refreshments will be served by Dave Elmquist and Larry Boardman.

The Republican Women's Club is sponsoring a picnic at 6:30 this evening at Jones Camp in Cherry Grove, where the speaker will be Sam Bonavita of Warren.

COUNTY FIREMEN
Warren County Active Volunteer Firemen will hold their regular meeting at 7:30 p. m. Thursday in Russell. All volunteers are asked to muster.

PLEASANT VOLUNTEERS
A good turnout of members is requested among Pleasant Township Volunteer Firemen at their regular meeting this evening in the fire hall at 8 o'clock.

NEW LEADS
Borough law enforcement officers were tracking down new leads today in the theft of four hubcaps from a parked car over the weekend. The outraged victim of the wanton robbery is planning to apply for a pistol permit.

336 NURSING VISITS
Visiting nurse Mrs. Helen Friebertshausen reported she had made 336 nursing visits to 62 separate homes during the past month, when she gave her regular report before a meeting of Warren Visiting Nurses Association in City Hall this morning. Mrs. Carl Whipple, Association president, presided.

FROST REPORTED
According to The Herald frost hit the Titusville district yesterday morning but no wide-spread crop damage was reported. Temperatures plunged to as low as 26 degrees by one thermometer in the Diamond community. Some garden crops were reported killed by the frost but damage was scattered. Lowlands were hit first. In Titusville, the mercury went down to 32 degrees and stopped, according to Water Works observers. The high yesterday was 65 degrees.

DRUNKEN DRIVER AT 17
Corry Journal: A 17-year-old Titusville boy was arrested for drunken driving early yesterday morning after he lost control of his mother's car and rammed a utility pole on West Pleasant street. He was arrested at Corry Memorial Hospital where a passing motorist had taken him for treatment of injuries. Hospital aides said the youth, Lyle Watson, son of Mrs. Maude Watson, Titusville, suffered lacerations of the lower lip and abrasions of the left leg. Police learned of the accident when they took another accident victim to the hospital. A local physician signed an intoxication report against Watson, stating he was "too drunk to drive." The youth spent the remainder of the night in the city jail and was released yesterday when his mother posted \$500 cash bond before Alderman George Gordon. Watson is to appear for a hearing on the charge tomorrow morning.

SUE SASSERSON DRAGONETTE EDITOR
The news-writing class of Warren High School elected Sue Sasser son Dragonette editor on Monday, with the following as her staff members: File editor, Sally Slate; librarian, Pat Dangelo; circulation manager, Susan Van Volkinburg; proof readers, Jackie Young and Marilyn Haer; broadcast editors, James Schorman and Sandra Burke; secretary, Ann Conti; art editor and assistants, Susan Prichard, David Sedwick and Helen Honhart; news bureau, Judy Whiteshot and Anne Waldeck. This staff will have charge of the first two editions of the Dragonette and prepares many of the school news releases for local newspapers and radio.

HOME ROOM OFFICERS
Chairmen and co-chairmen of Warren High School home rooms were chosen Monday, the chairman automatically becoming a member of Student Council, the assistant filling in where necessary. The complete list of those chosen will be announced tomorrow.

CIVIL DEFENSE PLAN
On Monday evening, a meeting of the registration and information group in the Civil Defense Council was held at the home of Mrs. A. F. Yorg, 15 Fourth avenue. A plan was devised to recruit more workers and a system set up to alert the whole group if members are needed at the time of a disaster.

YOUNGVILLE
Youngville — Jo Ann Martin, Tidoute, daughter of Mr. and Mrs. Joseph Martin, left Monday for Bainbridge Naval Base, Md., where she will take a course which will prepare her to become a laboratory technician.

Mrs. Florence Mourer, in company with Mr. and Mrs. Larry Hewitt, Erie, is enjoying a trip to Florida.

Mr. and Mrs. Michael Nagurny attended the funeral of Anthony Nagurny, in Sheffield Saturday, 9:00 a. m., in St. Michael's Greek Catholic church.

Mr. and Mrs. E. C. Stillings have returned to Youngville after a year spent traveling in the west and southwest.

At the meeting of Warren County Retired Teachers, held at Pine Crest Lodge in Saybrook, it was decided to hold the June meeting at Island Park, Youngville. The Association is interested in contacting all retired teachers of Warren and Forest counties.

BIRTH RECORD
Mr. and Mrs. William Barrett, 313 Pennsylvania avenue, west, a son September 11.

Wednesday Racing At Skyline Track Is Discontinued

Sugar Grove—The Wednesday night racing programs at the Skyline Speedway have been discontinued in favor of double-feature Sunday cards commencing the coming Sunday, the track management announced Monday night.

Eight hundred and fifty fans braved chilly temperatures Sunday night to see Hyle Russell of Kane, win his first feature of the season after C. B. Stockton of Columbus, relinquished the lead on the 12th lap amidst the heat of his flaming racer.

Russell was followed closely by Squirt Johns of Brockway, with Don Bailey, also of Brockway, third and Emory Mahan of Warren fourth.

The special-event team race was won by Johns in a three-wheeled Studebaker after being bumped and smashed for a full eight laps, followed by four roll-overs by Dave Shaw of Sugar Grove. The car was completely demolished in a special added attraction.

Summary — First heat, Eb Young, Gus Nelson, Russell; second, Joe Sauner, John Seelye, John McGinley; third, Mahan, Jim Patrick, John Walker; first semi, McGinley, Walker, Don Bailey; second semi, Patrick, Mahan, Johns.

MANY ENLISTEES
The local Navy recruiting office reports John Francis Cook, 17 year old son of Mr. and Mrs. Homer F. Cook of 25 Swiss street, has enlisted in the Navy as a seaman recruit and will serve a minority enlistment. John has been transferred to the Bainbridge, Md., training center for boot instruction after which he will have a 14-day leave at home before his next assignment.

BROTHERHOOD MEETING
Attorney Samuel Bonavita will be guest speaker for the meeting of St. Paul's Brotherhood at 7:45 p. m. Thursday in the church parlors, reviewing some of the highlights and other experiences of the Republican national convention in San Francisco. Hosts for the evening will be Carl Bengtson, Clemens and Clifford Terry.

NEW DEALER DIES
Washington, (AP)—Homer S. Cummings, who fought many of the New Deal's legal battles, is dead at the age of 86. The death yesterday of President Franklin D. Roosevelt's first attorney general was attributed to heart failure. He left only a grandson, Schuyler Cummings of Miami, Fla.

Obituaries

Funeral Information Will Be Found Under Another Heading

CHARLES E. BOTTORF
Funeral services will be held in Bradford at 2:00 p. m. Wednesday for Charles E. Bottorf, 68, of Warren, who died early Sunday morning in Bradford Hospital where he had been a patient for 12 days. Interment will be in St. Bernard's cemetery at that place.

Mr. Bottorf, a native of Flemington, was born April 28, 1888, moved to Bradford when a young man and in 1935 he moved to Corydon and later to Warren. He was a bottler for the Soda Mineral Water Company for many years until he retired because of illness. Mr. Bottorf was a member of the Methodist church, Elks and Moose lodges.

Survivors include his wife, Mrs. Katherine Whelen Bottorf; one daughter, Miss Irene Bottorf, Bradford; five sisters, Mrs. Marcos Freeman, Bradford; Mrs. Frank Lake, Rochester; Mrs. Raymond Carey, Mrs. Stewart Roberts and Mrs. Ott Herrmann, all of Detroit; also several nieces and nephews.

MRS. MINNIE A. PORTER
Mrs. Minnie Aretta Porter, 84 Mill street, Sheffield, died yesterday afternoon at 4:30, after an illness of six months.

Born in Tylersburg September 7, 1883, she lived in Sheffield for the past 21 years.

She was the widow of George S. Porter, and is survived by six daughters, Mrs. Luella McKown and Mrs. Phyllis Mulkin of Tidoute, Mrs. Margaret Lewis and Mrs. Doris Winslow of Sheffield, Mrs. Georgianna Lynch of Ashville, O., and Mrs. Nellie Miller of Okinawa; two sons, Ephraim R. Porter of Sharon, and Bruce D. Porter of Sheffield; 16 grandchildren; seven great grandchildren; two brothers, Lyman C. Mealy of Oil City, and Scott Mealy of Reno, Pa.

Funeral services will be held Thursday afternoon at two o'clock with the Rev. Jack Carson of Sheffield First Methodist church officiating, and interment following in Tidoute.

MRS. ANNA E. HONHART
Funeral services will be held at two o'clock Wednesday afternoon for Mrs. Anna E. Honhart, 11 Nesmith Place, who died Sunday night at the Brennan-Root Nursing Home at the age of nearly 79 years. Mrs. Honhart was a member of First Lutheran church and her pastor, the Rev. F. B. Haer, will officiate for the rites, with interment following in Oakland cemetery.

MRS. HERBERT R. SMITH
Word has been received here that Mrs. Herbert Rosendale Smith, former resident of this area, died at 7:15 a. m. Monday at the family home in Portland, N. Y. Mrs. Smith was born in Ludlow in 1880 and resided at Torpedo before moving to Portland 52 years ago.

Surviving are her husband and one brother, John Rosendale, also of Portland.

Services in her memory will be held at 2:00 p. m. Wednesday in Brocton, N. Y.

MUNNIE ARETTA PORTER
Removal has been made to the Borden Funeral Home at Sheffield, where funeral rites will be held Thursday afternoon at 2:00 o'clock with the Rev. Jack Carson, of First Methodist church, officiating, and burial following in Tidoute cemetery. The usual calling hours will be observed.

RAIL MERGER STUDIED
New York (AP)—The Erie, the Delaware, Lackawanna & Western and the Delaware & Hudson railroads are studying a merger into a single system.

PRISCILLA'S POP

Historical Groups To Stage Luncheon-Tour on Saturday

All area residents interested in such fields of endeavor are invited to participate in a luncheon-tour to be held at 12:30 p. m. Saturday of this week in the Corry Area High School cafeteria by the Erie County Historical Society and the Corry Historical Committee.

Mrs. E. C. Barnes, well known Corry historian and former president of the State Federation of Women's Clubs, will discuss the history of Corry; Ralph Elliott Blakeslee, Spartansburg, will deal with archaeological and other community history; Walter Jack, North East, will recall names and achievements of people who have made important contributions to the city and surrounding area.

Following the program, and a ventriloquist feature by Diane Sawyer, a tour will be conducted to the Mound Builders' Circle, west of Corry; then on to Clymer, where the Klompers Dancers will present in costume one or more of the traditional Dutch dances which have been revived in this strictly Holland Dutch community.

Continuing to Sherman, the York's Museum, developed by youth of the community with parental cooperation, will be visited. This achievement has received national note, and was inspired by Miss Genevieve Mattison, teacher of history in the Sherman schools.

The final stop will be Col's Station, junction of Route 89 and New York Route 430, south of North East.

Commons

(From Page One)
but was still considering in what form this should be done.

The communiqué referred to the U. N. only in this statement:

"The ministers recalled that from the outset their governments acted in full conformity with the purposes and principles of the United Nations. They expressed their determination to develop their cooperation and to resist by all appropriate means any arbitrary interference with rights established under international agreements and any action incompatible with justice and respect for the obligations arising from treaties and other sources of international law."

The quotation is from the U. N. charter.

British Foreign Secretary Selwyn Lloyd, who sat by Eden's side in the talks with Mollet, was reported ready to fly to New York to present the case to the U. N. French Foreign Minister Christian Pineau also sat in the meeting.

Going before the U. N. would indicate that Britain and France were heading the urging of the United States to move slowly in their policy toward Egypt.

Directors of the Suez Canal Co., which was nationalized by Egypt July 26, met in Paris. The company still claims the loyalty of most of the non-Egyptian pilots and other technicians who keep the canal running.

Up until now the company has held off any move to withdraw these key employees. A walkout could cripple the canal overnight.

Swedish Foreign Minister Osten Unden, a member of the Menzies mission to Cairo, said before taking a plane from London for Stockholm:

"I was not pleased with the way the Cairo talks went. The situation looks bad."

RECREATION STUDY
Harrisburg (AP)—A 16-member advisory council today was ready to begin a study of recreation in Pennsylvania. Gov. Leader named the group yesterday to supplant state recreation committees, which had handled such matters in previous administrations. Frederic R. Mann, Philadelphia city representative, was named chairman.

INDIANA GAS WELL
Indiana, Pa. (AP)—Indiana County's biggest gas well, newly brought in, is expected to produce between four and five million cubic feet daily. Officials of the Kota Gas & Oil Co., Bradford drillers, said yesterday the 7,500-foot well was brought in last Tuesday on the property of the Rochester and Pittsburgh Coal Co. in Young Twp. The drillers used the hydraulic fracturing process in the rich Oriskany sand.

BULLETINS!

Palm Beach, Fla. (AP)—W. A. "Billy" Bishop, 62, Canadian air ace of World War I, died at his home today.

Harrisburg (AP)—The state highways department today had public utility commission approval to take more time in completing plans for reconstruction of two bridges over railroad tracks in Lawrence and Jefferson counties.

Uozu, Japan (AP)—More than 1,750 homes were destroyed today by a fire that virtually wiped out the center of this city of 47,000 persons 150 miles west of Tokyo. A typhoon wind of 30 m. p. h. fanned the flames.

Lewisburg (AP)—Rep. Robert F. Kent, Republican candidate for state treasurer, said today the Leader administration faces a "whopping big deficit" for the operation of the state government during the last two years.

Sayre (AP)—Democrat Joseph Clark says the future of the Pennsylvania farmer "will be dim indeed if we have to depend on" Sen. James Duff (R-Pa.), his opponent in the November election for Duff's Senate post.

Juvenile Burglary Ring In Green Co. Cracked

Waynesburg (AP)—Dist. Atty. Glenn R. Toothman said today state and local police have cracked a ring of 11 youths allegedly involved in more than 45 burglaries in Greene County over a three month period.

Toothman said police are continuing the investigation into the burglaries involving automobiles, homes and business establishments. He said the youths obtained loot valued in excess of \$3,000.

The district attorney said the ring was uncovered as the result of the questioning of Lewis Bddy, 22, Rogerville, and Jesse O. McDonald, 21, Beaver Falls, who were arrested Aug. 24 for possessing firearms.

Typhoon Scouting Plane Carrying 16 Is Missing
Tokyo, (AP)—Skies cleared today over the typhoon-whipped waters of the Japan Sea, but search planes and ships reported no trace of an American weather-scouting plane that disappeared at the height of the storm's fury.

Sixteen U. S. Air Force men were aboard the missing plane, sent out yesterday to measure wind velocity and air pressure inside Typhoon Emma, a killer storm that took 55 lives and caused millions of dollars damage in Japan, Okinawa, South Korea and the Philippines.

The four-engine RB 50, a reconnaissance version of the Air Force B50 bomber, was last heard from half way between the coasts of Japan and Soviet Siberia.

PLAYERS CLUB OPENS DRIVE HEADQUARTERS
Two thousand invitations to join the Warren Players Club were mailed out last night. Some 1,300 members were enlisted last year and 1,500 are hoped for this year.

Co-captains of the membership drive are Miss Joan Lavery and Richard Rapp, club president.

A membership headquarters has been set up at 135 Pennsylvania avenue, west, on the southeast corner of Times Square. Starting next week, thespians and patrons may sign up there from 12 to 3 p. m. and 6 to 9 p. m.

INDIANA GAS WELL
Indiana, Pa. (AP)—Indiana County's biggest gas well, newly brought in, is expected to produce between four and five million cubic feet daily. Officials of the Kota Gas & Oil Co., Bradford drillers, said yesterday the 7,500-foot well was brought in last Tuesday on the property of the Rochester and Pittsburgh Coal Co. in Young Twp. The drillers used the hydraulic fracturing process in the rich Oriskany sand.

Recognized Miss Catherine Henderson, Miss Jean Spencer and James Hill for receiving masters degrees;

Received state approval to continue selling milk tickets, five for 20 cents, and meals for 30 cents;

Bought two drums of floor wax for \$154.

Approved Miss Christine Hurd's request to attend Columbia School meeting on year books in New York City Oct. 12-13.

"Handbook of Hanging" Clue in Mystery Death
New York (AP)—A young seminary librarian, fascinated by rope tricks and hanging, was found dangling from a door hinge in his book-cluttered apartment yesterday.

On a table near the body was an open volume—"A New Handbook of Hanging."

Police at first called the death of Alfred K. Hamner Jr., 27, the most unusual apparent homicide in years.

Later they said they were also checking the possibility of suicide.

The body of the stocky red-haired bachelor was hanging from a clothesline that was looped over a hinge in a closet door. His hands were bound behind his back with cord. Adhesive tape sealed his lips.

BUTLER CO. TRAGEDY
Butler (AP)—A 60-year-old Butler County woman burned to death yesterday just a few feet from the safety of the front door of her home that was destroyed by fire.

The body of Mrs. Howard Steel was recovered about 3 1/2 hours after the blaze apparently broke out in an oil furnace in her two-story frame home. Firemen estimated damages in excess of \$5,000. The house was located just west of Eau Claire near the Butler-Clarion County line.

MAY SUCCEED HUSBAND
Harrisburg (AP)—Mrs. Kathryn Granahan, Philadelphia, was recommended today to replace her late husband as the Democratic candidate for Congress from Philadelphia's 2nd District. The 36-member Democratic state Executive Committee was expected to designate Mrs. Granahan as the party's official candidate at a meeting during the day. Rep. William T. Granahan died recently after serving in Congress for five terms.

LANDER
Lander—Mrs. George Rapp entertained Lander Birthday Club members, with Mrs. Arthur Stanton as honored guest.

Mary Wallin has been a recent guest of Mrs. Ruth Swanson.

The drillers used the hydraulic fracturing process in the rich Oriskany sand.

Officers Are Elected at Annual Meeting of County Cancer Unit

Dr. John W. Larson was elected president for the coming year at the annual meeting of the Warren County Unit, American Cancer Society, held last evening in the Warren Service Center, 404 Market Street.

Chosen to serve with him were Mrs. Dorothy Baker, vice president; Mrs. Ruth K. Rapp, Secretary; A. L. Rasmussen, Treasurer.

The Education Committee reported 14,842 pieces of education literature had been distributed and the Society's film loan library of nine films has been put to use during the year. The "speaker's bureau" maintained by the local unit, composed of members of the Units board of directors, and other medical and lay speakers who are available to address cancer educational and other meetings, gave sixteen talks with films.

Service Program for cancer patients distributed 5231 surgical dressings to twenty-four patients, provided loan closet service to eleven, sedative to five, nurse service to four with a total of sixty-four calls, in addition to providing transportation and loaning beds and other sickroom equipment.

The Special Projects report on the admission chest X-ray program revealed 1,076 people had been X-rayed during the past year. This is a joint project with the local Heart Association and the Tuberculosis Society, each group bearing one-third of the cost. The program has been conducted on a no charge basis for each person being X-rayed as he is admitted to the hospital.

Nine books dealing with cancer were purchased and placed in the library of the Warren General Hospital and a cancer registry outfit for 250 cases was provided for the Tumor Clinic.

Campaign Chairman reported during the Cancer Crusade, contributions were received totaling \$9,089.40 against a goal of \$1,000.00. Of this amount \$4,780 was sent to the Pennsylvania Division, Inc., for state and national research.

Acknowledgment was made of the notable assistance in the Crusade to Conquer Cancer, to E. Lee, Stein Ladies Shop, Metzger Wright Company, Warren County Medical Society, Warren General Hospital, Warren National Bar, Warren Observer, WNAE Radio Station and the Warren Times Mirror.

Dr. Robertson, president, recommended this year a Certificate of Appreciation be given the Diamond Grange No. 2027 for the excellent work in the Crusade and the dressings program, and to the Women's Association - Sewing Group of the First Presbyterian Church for a very worthwhile job in making and keeping the Society will supplied with bed shirts and pads.

Concluding his successful year of office, Dr. Robertson expressed the pleasure he had experienced while serving as president of the Society and thanked the executive committee, the committee chairman and the board of directors for their cooperation and assistance.

The officers and members of the board of directors of the Society are grateful to all the volunteers and contributors who made possible the progress in the Crusade against Cancer, for they can be proud of what has been achieved, and hope someday soon, newspapers will carry this headline: "Science Conquers Cancer" and when this happens, all can share in the final victory.

Scout Units From Warren Area Honored at Canada Camporee

Three Chief Complanter Scout Units received Class A Ribbons at the Camporee at Timberlands Scout Reservation near Turkey Point in Canada. The units, which included Troop 9 of Warren under the leadership of Scoutmaster Ray Lewis, Post 13 of North Warren under the leadership of Advisor Leo Rapp and Troop 14 of Russell under the leadership of William Barrett, Committeeman, were invited from among the troops which earned first place in the Chief Complanter Camporee, and the Explorer Posts which helped to run the same Camporee.

Each of the groups as they arrived at the Village of Jarvis were met by police escort and guided to the meeting room of Simcoe Troop 1, where they were served a lunch before being escorted to the Camporee. Following the Camporee, the Simcoe Rover Crew, a group similar to the local Explorer unit, held a Barbecue for Warren Scouts and leaders.

The Camporee followed the usual pattern of Camporees held in the country. Some of the highlights included visits to a fish hatchery, a commercial fishery, and a concert by the Simcoe Boy Scout Trumpet Band following Sunday morning church services. On Sunday afternoon, Patrol Leader Robert Ladder of Troop 9, Warren and Scout Executive Elmer Morgan were interviewed over the local radio station.

One highlight of the Camporee was the swapping between Canadian and American Scouts. In the radio interview one of the Canadian Scouts stated that the Canadian boys were wearing more American uniform parts than the American delegation. In addition to those named above, Dave Smith, Chairman of Troop 9, Paul Grosch, Scoutmaster of Troop 13 and Murray Peterson of Russell.

EVENTS TONIGHT
5:30, C. of C. directors, Blue and White.

8:00, Parent-Teacher Unit, St. Joseph's.
8:00, Pleasant Fire Department.
8:00, Dads of FSV, post rooms.
8:00, Lady Eagle officers, lodge rooms.
8:30, Child Study Group, Tiny Town.

Manners MAKE FRIENDS
THE business woman who must occasionally take a man client or prospective customer to lunch should have an arrangement with at least one convenient restaurant where she can simply sign the check when it is presented and pay for the meal later. It is embarrassing to most men to have a woman take out money and pay for a meal.

If she hasn't credit at a restaurant she should hand her guest a bill before they enter the restaurant and ask him to take care of the check.

"Rock" To Race at Glen

Watkins Glen, N. Y.—Rockwell "Rocky" Shell, 21, of Warren, is one of more than 150 entrants in the 9th annual International Grand Prix at Watkins Glen, N. Y., Thurs.-Sat., Sept. 13-15.

Shell, a sports car salesman, will drive his Austin Healey "100" in the Glen Trophy Race at the nation's major annual sports racing classic. He has previously participated in road races at Harewood Acres and Akron.

Sport Cars such as Jaguars, Ferraris, Porsches, MGs, Austin Healeys, OSCAs, and similar European models plus American sports cars will compete in the six major racing events over a new 2.3 mile, \$150,000 asphalt course.

Race day, Saturday, Sept. 15, will climax a full program of race activity with 143 laps of the finest sports car road racing in America. Five preliminary events, covering a total of 99 laps and 125 miles will get the green flag with intervals of 15 minutes between events.

At 3 p. m. the Watkins Glen Grand Prix, a 100 mile, 44 lap event for modified sports cars over 1500 cc, will get underway from a mass start.

On the preceding day, Friday, Sept. 14, all competing drivers will complete at least five laps under full race conditions in a mandatory practice period open to the spectators. At 5 p. m. on the same day the annual Concours d'Elegance parade of vintage, veteran and experimental cars will patrol the streets of this popular

Southern Finger Lakes Region resort community.

Also, in addition to Mr. Shell, S. W. Blackman of Warren has entered his M. G. "A." That was a member of the M. G. team at Sebring, Fla., this past March at the International Grand Prix of Endurance. Blackman has also participated in events at Cumberland, Md., Harewood Acres, Akron, O.

Henry Dahl, vice president of the Keystone Garage of Warren will be driving the Blackman M. G. at Watkins Glen. Dahl was a Co-driver at Sebring with Blackman and has also been at Akron and Put-In-Bay this past racing season. Blackman is to be Mr. Shell's crew chief on the latter's Pit Crew.

In the above picture, Shell is behind the wheel and Blackman is leading on the Healey.

World Series Officially Set To Open in National League Park Wednesday, October 3

New York (AP)—The World Series is officially scheduled to open Oct. 3 in the National League park—but it might be a bit later if the NL can't decide which park. Commissioner Ford Frick set the date for the 1956 classic after a 90-minute discussion with representatives of the pennant contenders in both leagues yesterday. The first two games will be played in the National League park, with the series then shifting to the American League park for the next three if needed in the best-of-seven championship. If more games are necessary, they'll be played in the National League park.

Ticket prices, the same as last year and including federal but not

local taxes, are \$10 for a box seat, \$7 reserved, \$2 bleachers and \$4 for standing room.

All games will start at 1 p. m. local time, except on Sunday in New York, when the start will be 2 p. m.

The only problem at the moment is the National League pennant winner. It could be Milwaukee, Brooklyn or Cincinnati. And a two-team or three-team playoff may be needed to decide.

Under NL rules, a two-team tie for first place means a best-of-three playoff. A three-way tie calls for a double-elimination playoff—which could drag on for five days.

Major Ladies To Hit the Penn Alleys This Wednesday

Ladies Major Bowling League has reorganized for its 1956-57 season which will get underway at Penn Alleys this Wednesday, at 6:30 p. m.

Listed below are the teams and members:

Bert's—Vi Sterling, Donna Shaffer, Betty Gray, Addie Okruh and Jeannette Harvey.
Betty Lee—Joan Shaddy, Irene Briggs, Evelyn Felder, Mary Check, and Louise Moorehead.
Ann's—Rita Miley, Esther Gnage, Neva Ladner, Barb Weiland and Rose Juliano.
Marguerite's—Peg Yeagle, Helen Peterson, Stella Cerra, Bertha Knupp and Red Walsh.

SPORTSMAN'S DIGEST

POINT CARRIED GUNS SAFELY

WHEN WALKING SINGLE FILE, THE LEADING HUNTER SHOULD NEVER CARRY HIS GUN TO HIS SHOULDER. ITS MUZZLE POINTING TOWARD THE REAR. HIS GUN SHOULD BE POINTED FORWARD OR TO ONE SIDE. HUNTERS IN THE CENTER OR BRINGING UP THE REAR MUST NEVER CARRY A GUN POINTING AT A PERSON IN FRONT OR BEHIND. THEY SHOULD CARRY GUNS POINTED TO ONE SIDE. REAR HUNTER IS ONLY ONE IN SINGLE FILE WHO MAY POINT CARRIED GUN TO THE REAR. DON'T CARRY GUNS CARELESSLY!

Basilio Confident Crown Will Bounce Back on Wednesday

Syracuse, (AP)—Welterweight champions have been playing with the 147-pound crown as if it was a bean bag for the last couple of years. In four of the last five title fights, the challenger has won.

Carmen Basilio, dethroned by Johnny Saxton some six months ago, firmly believes the crown will bounce his way once more tomorrow night when he meets Saxton, again in the War Memorial Auditorium.

Despite Basilio's optimism, the odds favoring him dropped from 8-5 and 7-5 and slightly under today. It would not be surprising if the 26-year-old Saxton went into the ring as a slight choice. In their last fight, Basilio was a 2-1 favorite.

Wellsville Winner of PONY League Playoffs

Wellsville, N. Y. (AP)—The pennant and the governor's cup of the Class D Pony Baseball League are resting together in Wellsville today for the first time in the history of the 18-year-old league.

The triumphant Braves, on top of the league since May 12, closed the post-season playoffs last night with a 2-0 shutout of the Olean Oilers. It was their third straight victory in the best-of-five series after dropping the first two games.

Pony League Finals
Wellsville 2, Olean 0. Wellsville wins Governor's Cup 3-2.

No other minor league baseball yesterday.

TONIGHT'S FIGHT

Boston, (AP)—It figures to be a tossup tonight when Larry Boardman of Marlborough, Conn., pits his youth against former champion Jimmy Carter's experience in a light-weight 10-round battle at Boston Garden. Carter, a veteran of more than 10 years and 100 fights in the ring, has long been the speller for New England's brighter 135-pound prospects and he hopes to do it again.

FINAL SOUNDING

Pirates Starting Important Home Stand With Cubs

Pittsburgh (AP)—The Pittsburgh Pirates—back in town for their last home stand of the season—are cast in the important role of helping to decide who will win the National League pennant.

The Pirates split a doubleheader with the Phillies at Philadelphia yesterday. Both games went 10 innings with the Pirates taking the first 4-1 and the Phillies winning the nightcap 6-5. They now have a 60-78 season record, equaling their 1955 victory total. Sixteen games remain.

The Pirates start their home stand against the Chicago Cubs today and are scheduled to meet three pennant contenders here. They are Milwaukee, Cincinnati, and Brooklyn.

Pittsburgh also will be fighting to rise in the standings or at least stay in sixth place. They are three games ahead of seventh place New York and five in front of the last place Chicago Cubs.

TEN PIN LEAGUE AT BOWLDROME

The new season for bowlers of the Metropolitan Ten Pin League will get under way at 8:30 p. m. Thursday at the Bowldrome alleys in North Warren, with a meeting of team captains set for 8:15.

Sinclair Announces

A NEW POWER DISCOVERY

New Super-Premium Sinclair Power-X Gasoline
with X-Chemical Increases Power, Cuts
Operating Costs as You Drive

Eliminates power-robbing engine deposits
90% more effective than any other gasoline additive in preventing spark plug fouling

70% more effective in stopping power loss from pre-ignition knock

All Cars Need It—Only Sinclair Has It

What makes a brand new car start to knock and lose power after a few thousand miles? What causes sluggish performance in older cars? The chief reason is carbon or other combustion deposits that form on spark plugs and pistons.

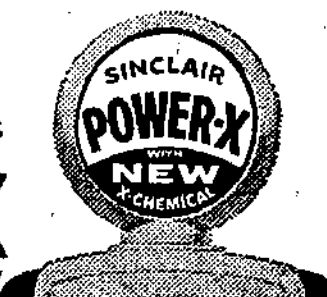

Now—for the first time in automotive history—a rare chemical has been developed that eliminates power-robbing engine deposits, thereby increasing power in older cars—retaining peak power in new cars.

Other gasoline additives, intended to combat

spark plug fouling and pre-ignition, actually build up harmful deposits of their own. But Sinclair's new X-Chemical has none of these damaging after-effects. INSTEAD, IT CHANGES HARD, CRUSTY DEPOSITS INTO HARMLESS, POWDERY MATERIAL.

After just three tankfuls of new Super-Premium Power-X, you can feel the improvement in performance—provided you do not mix it with other gasoline. See your Sinclair Dealer and power up with new Sinclair Power-X Gasoline.

Curly-Haired Briton Breaks Jaw of Troy In Gruelling Battle

New York (AP) — Willie Troy started a six-month vacation today and John L. Sullivan, the fellow who caused it, went looking for new fields to conquer.

Until he met up with Sullivan, a curly-haired bloke from England last night, Troy bragged of a record of sorts. He never had lost a fight by a decision. He had been knocked out five times in his 40 previous battles, but never, mind you, had he been on his feet at the end and dropped the duke.

Sullivan took care of this little matter at St. Nicholas Arena and also broke Willie's jaw in the bargain. So Troy will be on the shelf until next spring.

Sullivan, too, had his troubles. The only thing that annoyed me was that I bit my tongue in the 5th," he said. "I was licking my lips when he sneaked up and hit me."

Ticket Prices for Buc Home Games To Be Hiked

Pittsburgh (AP) — Ticket prices for Pittsburgh Pirate home games next season will be increased an average of 8.1 per cent because of higher operating costs.

The Pirates announced Saturday that general admission tickets will be increased 10 cents to \$1.50, reserved seats 20 cents to \$2.40, and box seats 25 cents to \$3.00. Similar increases will be made in the prices of season tickets.

Prices of bleacher seats and children's and ladies' day tickets will remain the same. Current prices will be charged for all 1957 tickets ordered before Oct. 1. The last price increase for Pirate home games was made in 1948.

RACING AT MEADVILLE
Reading, (AP) — The four-day Grand Circuit harness race meeting open today at the Reading Fair with a total of \$71,200 in purses being offered.

BOWLING SCORES

ELK BOWLING LEAGUE OFFICERS HOLD MEET

A meeting to complete plans for the fall and winter season was held by officers of the Elk Bowling League last evening. Team rosters were completed and it was announced that there will be twenty in the league again this year. The alleys, newly-conditioned, will be available for open bowling beginning next week.

Peg's League Bowling Will Start Wednesday

Bowling in Peg's League will start at 6:45 p. m. Wednesday at the Penn Bowling Center, with the following teams participating:

Style Shop — Virginia Africa, Martha Bloomgren, Jane Nelson, Mary Rapp, Millie Sowers.
Simonsen's — Estella Lacy, Fran Larson, Lee Ensworth, Betty Beyer, Helen Pusateri.
Stein's — Henrietta Pickard, Joyce Anderson, Gladys Johnson, Beverly McMullen, Jean Russell.
Tiny Town — Martha Whiteshot, Carole Douglas, Alex Dorotich, Phyllis Crockett, Elaine Finley.

Smith Signs for Third Year as Phils' Manager

Philadelphia (AP) — Mayo Smith has been signed to manage the Philadelphia Phillies again next year, his third as skipper of the National League club.

Smith took over the team in October, 1954, after Terry Moore was released at the close of the season. He managed the Phils to a fourth-place finish last year and currently has them in fifth place with a chance at a first-division berth.

NATIONAL AMATEUR

By HUGH FULLERTON JR.

Lake Forest, Ill. (AP) — "It's a good course to get the jump on somebody. It's hard to get a lot of birdies out there and that's what you need to come back after a guy gets the jump." That was Ken Venturi's size-up of the massive Knollwood course after he had won his first match in the National Amateur Golf Championship.

PIRATES CALL UP FIVE

Pittsburgh (AP) — The Pittsburgh Pirates have called up five players from their Hollywood team in the Pacific Coast League. They will report to the Pirates at the end of the Coast League season. The players are infielder Gene Freese and pitchers Luis Arroyo, Bob Purkey, Bob Garber and Laurin Pepper.

HOMES FOR AMERICANS

A POPULAR HOUSE, this plan was used by builders at Huntington, N. Y., where 74 houses were sold in one weekend for less than \$20,000 each on one-acre plots. It's a flexible plan, easily suited for building with or without a basement. The storage space in the garage provides a place for a heating plant next to the chimney, the stair space can be used for a large closet or laundry and the garage can be enlarged for additional storage. The house covers only 1,272 square feet without garage and porch which figure separately. This is plan Y-7389AP by Herman H. York, architect, 90-04 161st St., Jamaica 32, N. Y.

WHICH 4-WHEEL-DRIVE 'JEEP' VEHICLE IS RIGHT FOR YOU?

The Universal 'Jeep'... the world's most useful vehicle

The 4-Wheel-Drive 'Jeep' Truck... time-tested and performance-proved

The 'Jeep' Utility Wagon... dual purpose vehicle for business and pleasure

They all have features that save you time and money on job-after-job!

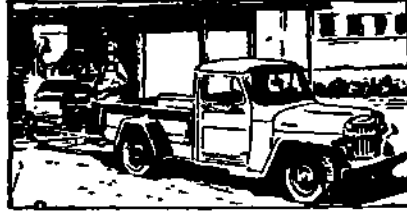

Traction plus. With the extra tough job traction of its 4-wheel drive, the 'Jeep' takes men and equipment through mud, sand, soft earth or up 60% grades.

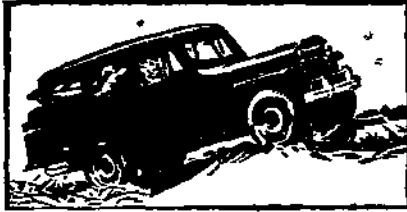

Towing. The time-tested 4-Wheel-Drive 'Jeep' Truck tows heavily loaded trailers on or off the road, carries payloads 63% of its own curb weight.

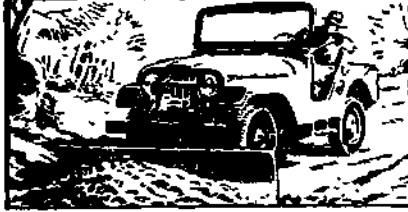

Power. With power take-off, the Universal 'Jeep' takes power where it counts, in good weather or bad, to operate trenchers and other equipment.

Belt power. The performance-proved 'Jeep' Truck, with power take-off, also provides mobile power to operate hammermills and other belt-driven equipment.

Hauling. With the extra traction of its 4-wheel drive, the 'Jeep' Utility Wagon carries six passengers or 110 cubic feet of bulky cargo virtually anywhere.

Hydraulic lift. The 4-Wheel-Drive 'Jeep', with hydraulic lift, operates graders, scrapers, post hole diggers and most 3-point hitch farm implements.

Transportation. The double duty 'Jeep' Utility Wagon serves as a family passenger car that carries six adults in roomy comfort, on or off-the-road.

Functional design. High-skirted fenders, weather-proof safety step and full-opening hood make the 'Jeep' Truck easier to operate and maintain.

The **Jeep**

family of 4-Wheel-Drive vehicles

WILLIS...makers of time-tested 4-Wheel-Drive vehicles

County 4-H Dairy Calf Club Holds Roundup at Youngsville

According to assistant county agent Bernard Wingert, the 4-H Dairy Calf Club members of Warren County have just experienced several days of showing thus completing the summer activities. Last Thursday at the Youngsville Fair the County Roundup was held at which time the calves were judged for type by Richard Adams, Penn State University Dairy Specialist. The boys and girls were also judged for show-

manship and on how well they had fitted their calves for the show. Kenneth Downey, Cory, was named grand champion fitter and showman. He received a trophy for champion fitter from the Warren County Agricultural Breeders Association. Nancy Curtis, Columbus, received a similar trophy from the Warren County Holstein and Guernsey Breeders for reserve champion showman. This is the first year trophies have

awarded to 4-H calf club members in addition to the regular ribbon awards according to Wingert.

On Saturday the boys and girls took their calves to Meadville where they participated in the 11th annual N. W. Pennsylvania 4-H District Show at the Crawford County Fair Grounds. Here they competed against calves from ten northwestern counties and were judged for type, showmanship, and fitting just as they were in Warren County. White ribbon awards went to Richard Triskett, Columbus, showing a Holstein, to Allan Scott, Lottsville, and to David Sweeney, Sugar Grove, both for showing Guernseys. Gale Johnson, Lottsville, showing a Guernsey, and Gilbert Scott, Lottsville, also showing a Guernsey, received red ribbons. Top ribbon awards or blue ribbons went to Amy and Nancy Curtis, Columbus, and Kenneth Downey, Cory, who showed Jerseys. These ribbons were awarded for type in the individual classes.

The blue ribbon animals will now go to the State Show which will be held in Harrisburg on September 20.

Mr. and Mrs. George Morrison and son, Brian, and Mr. and Mrs. Wendell Warner spent the Labor Day weekend at the Whitney cottage at Panama.

Mr. and Mrs. L. C. Minser, Bonnie and Allen Minser, of Ivory, were recent dinner guests of Mr. and Mrs. Neil Scott and daughter, Ruth Anne.

Mr. and Mrs. Richard Loecey, Westfield, Mr. and Mrs. Dan Culver, Cory, were dinner guests of Mr. and Mrs. David Loecey and Mary Martin to honor the birthday of David Loecey.

Li Vincent Allenson, patient in Warren General Hospital since an automobile accident six weeks ago, has been discharged from there and has returned to his station at Wright Air Force Base, Dayton, O. He has not completely recovered and has to walk on crutches.

Mary Martin has returned from a week's visit with her nephew, James Loecey, at Edwardsburg, Mich.

Mrs. G. M. Thorpe, Jamestown, has returned to Roswell Memorial Hospital, Buffalo, where her condition is reported to be serious.

visited relatives in Pittsburgh recently.

Sunday guests of Mr. and Mrs. Charles Swanson were Mr. and Mrs. Albert Hill and daughters, Glenys and Mickey, Diamond, O.; Mr. and Mrs. Ivan Wood and family, Ashville; Mrs. Warren Gilson, Mr. and Mrs. Clair Wood and family, Mr. and Mrs. Merton Wood and family, Mr. and Mrs. Stanley Ustach and family, Warren; Mr. and Mrs. Marshall Peterson and family, Akeley; Mr. and Mrs. Paul Wood and son, Tom, of Russell; Raymond Stanton, Lander.

12 New Teachers Take Over Duties At Youngsville

Youngsville—Brokenstraw Jointure pupils became acquainted with 12 new teachers when their classes opened for the fall term. The newcomers are:

Mrs. Mary Marshall, Robert McCullough, Robert Dillman, elementary; Eleanor Onest, seventh and eighth grade English; Mrs. Jeanette E. Connelly, seventh and ninth grade English and mathematics; Mrs. Frances Woodard, Irvine third grade; Joseph Frelick, coach and social studies.

William M. Beichner, driver education; G. Reid Pierce, social studies and home-school visitor; Kathy Adams, senior high school English; Jean Wingert, home economics; Mrs. Geraldine Davis, third grade.

Mr. and Mrs. Robert Jewell have been enjoying a vacation in Canada.

Judy Halfast, daughter of Mr. and Mrs. Lomle Halfast, left Sunday morning for her freshman year at Indiana State Teachers College, where she will major in business administration.

Sally Bechtel has returned to Edinboro State Teachers College for her senior year. She is an art major.

Mrs. Maye Hooven, Youngsville, and son, Norris, of Cory, visited Mrs. Tony Miller and family in New York City recently. The Millers formerly lived in Youngsville. White in New York, The Hoovens visited the United Nations.

Dale Martin, son of Mr. and Mrs. Ellis Martin, visited Mr. and Mrs. Harold Martin recently.

Mrs. H. H. Husted and Mrs. Sarah Piper attended the WSCS Seminar of the Jamestown District, when reviews were given of the four study books assigned for the coming year.

No Change in Strike Situation at Thomas

Strike of 32 employees at Thomas Flexible Coupling plant wore into its sixth day today with no sign of a break.

A plant spokesman said the National Labor Relations Board has entered the picture. In the near future it is anticipated an NLRB election will be held to determine how the majority of the plant's 87 shop employees feel about the situation.

Meanwhile, the status quo will be maintained until it is decided with whom the company is to negotiate. About 50 workers are continuing to report to Thomas.

The 32 members of a newly organized local of International Association of Machinists walked off the job Thursday morning in protest of what they termed an "unjustified dismissal" of an employee who had been with the company six years.

Since then the workers have maintained a 24-hour strike position on the road leading into the southside plant.

Minnesota was the first state to employ public health nurses for Indians.

"THE PUBLIC HEALTH IS THE FOUNDATION ON WHICH RESTS THE WELFARE OF THE NATION"

—Author's Name Below—

To properly practice medicine, physicians learn how to diagnose and treat disease. Working closely with physicians are we pharmacists, who are taught the art of compounding, dispensing, and protecting medicines. Preserving the public health is a task that we physicians and pharmacists gladly perform. Your health is better served when you always follow your physician's advice on what to take, and get any medicine from your pharmacist.

YOUR PHYSICIAN CAN PHONE 467 WHEN YOU NEED A MEDICINE

Pick up your prescription if shopping near us. A great many people entrust us with the responsibility of filling their prescriptions. May we compound yours?

She's on Her Stylish And Washable Way

BY ALICIA HART NEA Beauty Editor

BACK-TO-SCHOOL fashions for very young ladies are right in the style swim this year. But manufacturers have sacrificed none of the practicality inherent in washable fabrics to achieve good looks.

Some of the younger style trends sound like mother's this year. Quilted corduroy jumpers, laced-up corduroy vests, caraco jackets, lots of peasant inspiration, all appear on the smaller racks.

Brown is the color news in the back-to-school world. There are plenty of colors to contrast and blend with it, but brown rules the rack.

Fabrics are cottons and synthetic blends, wool jersey, combined with cotton, cotton satin, printed corduroy. All of these, new enough to make a young miss feel like a 6X fashion plate, are washable and practical in the extreme.

Petticoats and slips rank high on the list of must-buys for the gal developing from the tomboy stage. Some manufacturers show petticoats that stand out under every single item in their lines. Petticoats are full, but not stiff. Their fullness comes from ruffles and beading. Some are smooth on one side, ruffled on the other. Fitted slips for the figureless have double overskirts of white nylon tulle, with the torso line marked by ribbon.

With all of the no-iron, drip-dry fashions available, a young school girl can learn to manage her wardrobe by herself, little by little. And the parts mother still

Stylish as can be is this young lady, ready for school. As an aid to lasting beauty, both she and dress are washable.

Cares for will be as easy as pie—or an automatic washer-to manage.

There are 500 producing oil wells in North Dakota. The city of Jerusalem has seen more than 20 sieges in its history.

Asthma Formula Prescribed Most By Doctors—Available Now Without Prescription

Stops Attacks in Minutes... Relief Lasts for Hours!

New York, N. Y. (Special)—The asthma formula prescribed more than any other by doctors for their private patients is now available to asthma sufferers without prescription. Medical tests proved this formula stops asthma attacks in minutes and gives hours of freedom from recurrence of painful asthma spasms. This formula is so effective that it is the physicians' leading asthma prescription—so safe that now it can be sold without prescription—in tiny tablets called *Primatec*.

Primatec opens bronchial tubes, loosens mucous congestion, relieves nervous tension. All this without taking painful injections. The secret is—Primatec combines 3 medicines (in full prescription strength) found most effective in combination for asthma distress. Each performs a special purpose. So look forward to sleep at night and freedom from asthma spasms—get Primatec, at any drugstore. Only 95¢—money-back guarantee. ©1956, Whitehall Pharmaceutical Company
